INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TRANSCORP ESTATES PRIVATE LIMITED

Report on the Audit of the standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Transcorp Estates Private Limited, which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, including a summary of the material accounting policies and other explanatory information .

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (herein referred after as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the standalone state of affairs (financial position) of the Company as at March 31, 2024, the standalone Profit/ loss and total comprehensive income/loss (financial performance), standalone changes in equity and its standalone cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act . Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not

express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance,

Office: 5th Floor, 556, Sunny Mart, New Aatish market, Mansarovar, Jaipur- 302020

ANAND JAIN & CO.

CHARTERED ACCOUNTANTS

Anand Prakash Jain

B.Com.LLB, F.C.A., A. C.S.,

Email: anandjain175@hotmail.com

but is not a guarantee that an audit conducted in accordance with SAs will always detect a material mis-statement when it exists. Mis-statements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We

communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting standards) Rules, 2015 as amended.
- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, as the company is a private limited company, provisions of section 197 of the Act are not applicable to the company.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note no. 27 to the financial statements.
 - ii. The Company did not have material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. The Company had no amounts to be transferred to Investor Education and Protection Fund and consequently there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts,
 - a) no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries;
 - b) no funds have been received by the company from any person(s) or entity(ies) including foreign entities ("Funding Parties") with the understanding whether recorded in writing or otherwise, that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries
- Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances , nothing has come to our notice that has caused us to believe that the above representations under sub clause (i) and (ii) of Rule 11(e) of Companies (Audit and Auditors) Rules, 2014 given by the management contain any material mis-statement.

- v) a) No final dividend was proposed by the Company in the previous year and until the date of this report
- b) The interim dividend declared and paid by the Company during the year and until the date of this audit report is in accordance with section 123 of the Companies Act 2013.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Transcorp Estates Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Transcorp Estates Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a

Office: 5th Floor, 556, Sunny Mart, New Aatish market, Mansarovar, Jaipur- 302020

ANAND JAIN & CO.

CHARTERED ACCOUNTANTS

Anand Prakash Jain

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT (Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Transcorp Estates Private Limited of even date)

i. In respect of the Company's Property, Plant and Equipments :

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipments and investment property.
- (b) The Company has no intangible assets, hence question of maintaining proper record showing full particulars of intangible assets does not arise.
- (c) The Company has a program of verification to cover all the items of fixed assets in a phased manner over a period of three years. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, discrepancies noticed on such physical verification were properly dealt with in the books of account.
- (d) In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (e) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, of immovable properties held as on 31st March, 2024 are held in the name of the Company.
- (f) The company has not revalued its Property, Plant and Equipments, including investment property, during the year. There was no right of use assets or intangible assets.
- (g) As per the information and explanations given, no proceedings have been initiated during the year or are pending against the company as at 31st March, 2024 for holding any benami Property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) (as amended in 2016) and rules made thereunder.

ii. In respect of company's Inventory:

- a) Company had no Inventory during the year .
- b) As per book records and information available to us as well as explanations given, during any point of time of the year, the company has not been sanctioned working capital limits in excess of five crore rupees , in aggregate, from banks or financial institutions on the basis of security of current assets, hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. According to the information and explanations given to us, the Company has made investments in , provided guarantee or security or granted loans or advances in nature of loan, secured or unsecured, to companies, firms, limited liability partnership or any other parties.

a) the company has made investment in , provided loans or advances in nature of loans during the year . Relevant information is as under: (Rs. In lacs)

	Guarantees	Security	Loans	Advances in nature of loans
Aggregate amount granted/ provided during the year			1884.91	
Subsidiaries			-	
Joint Ventures			-	
Associates*			1883.11	
Others			1.80 (intt. Accrued)	
Balance outstanding as at balance sheet date in respect of above cases				
Subsidiaries			-	
Joint Ventures			-	
Associates*			1483.78	
Others			54.50	

- Associate includes holding company

(b) In our opinion, the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans, during the year are, prima facie, not prejudicial to the Company's interest.

Office: 5th Floor, 556, Sunny Mart, New Aatish market, Mansarovar, Jaipur- 302020

(c) Schedule of repayment of principal and payment of interest has not been stipulated as loans have been granted on current account basis, as repayable on demand. Repayments and receipts of interest during the year are regular whenever demanded

(d) There were no overdue amount for more than 90 days in the absence of stipulations for repayment of principal and interest in respect of loans granted.

(e) No loan or advance in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties. Loans have been granted on current account basis

(f) According to the information and explanation given to us and on the basis of our examination of the records of the company, Company has granted loans and advances in nature of loan repayable on demand or without specifying the terms or period of repayment details of which are as follows as at the end of year: (RS. In lacs)

	All Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in nature of loans			/holding co.
- Repayable on demand (A) (Balance as year end)	1538.28	240.50	1243.28
- Agreement does not specify any terms or period of repayment (B)	NA	NA	NA
Total (A+B)	1538.28	240.50	1243.28
Percentage of loans/advances in nature of loans to the Total loans	100%	100%	100%

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act with respect to grant of loans, making investments, giving guarantees and providing securities, to the extent applicable.

v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable. As per the information & explanations given to us no order has been passed by Company Law Board, or National Company Law Tribunal or Reserve Bank of India or any Court or any other tribunal in this respect and hence question of its compliance does not arise.

vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act for the business activities carried out by the Company, thus reporting under clause 3(vi) of the order is not applicable to the Company.

vii. (a) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, Company has generally been regular in depositing

with appropriate authorities amount deducted/ accrued in the books of accounts in respect of undisputed statutory dues including Goods and Service Tax , Provident Fund, Employees' State Insurance, Income Tax, Sales Tax , Service Tax, duty of Customs duty of excise, value added tax, Cess and other material statutory dues as are applicable to it.

(b) According to the information and explanations given to us, there were no arrears/dues of undisputed amounts payable in respect of Goods and Service Tax , Provident Fund, Employees' State Insurance, Income Tax, Sales Tax , Service Tax, duty of Customs duty of excise, value added tax, Cess and other material statutory dues as at March 31, 2024 for a period of more than six months from the date they became payable.

(c) There were no statutory dues referred to in para (a) above which have not been deposited on account of any dispute , hence the reporting requirements under clause (vii) of the order are not applicable to the Company

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender including banks, financial institutions and government during the year.

(b) According to the information and explanations given to us and on the basis of our audit procedures we report that the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority or any other lender

(c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company

(e)) Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures . Company has no subsidiary.

(f) The company has not raised loans during the year on pledge of securities held in its subsidiaries, Joint venture or associate companies.

x. (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi. (a) To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report..

(c) To the best of our information and explanations given to us no whistle blower complaints were received by the company.

xii In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.

xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

xiv. In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act , 2013.

xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company

xvi. (a) In our opinion and based on the explanations given to us by the management the Company is not required to get itself registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

xvii. The company has not incurred any cash losses in the financial year and in the immediate preceding financial year.

xviii. To the best of our knowledge there has not been any resignation of statutory auditor during the year.

xix On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due

xx. Company had contributed the amount of CSR obligation to an NGO in previous year and as such, there is no unspent amount in the hands of company in respect of ongoing projects or other than ongoing projects required to be reported under clause 3(xx)(a) and (b) of the Order

TRANSCORP ESTATES PRIVATE LIMITED

Standalone Balance Sheet as at 31st March, 2024 and Statement of Profit and Loss for the year ended on that date.

Note No. 1 -Corporate Information and Material Accounting Policies

A. Corporate Information

Transcorp Estates Private Limited ("the company") is a private limited company domiciled in India (CIN: U45201DL2010PTC406522), having its registered office at c/o IHHMR, 2nd Floor, Plot No.3, HAF Pocket, Sector 18A, Dwarka, Phase II, Dwarka, New Delhi West Delhi 110075. Company is engaged in the business of renting of properties. It has also made some investments directly into Equity and Debts instruments of listed and unlisted companies, fellow subsidiary, mutual and alternative investment funds and has also contributed to capital of partnership firm being an associate of the company. The company is a wholly owned subsidiary of Transcorp International Limited.

B. Basis of Preparation

1. Statement of Compliance

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by Amendment Rules notified from time to time. As per the said roadmap, Parent company, M/s Transcorp International limited, is required to apply Ind AS starting from financial year beginning on or after 1st April, 2017. As Transcorp Estates Private Limited is wholly owned subsidiary of Parent company, M/s Transcorp International Limited, hence it is also required to apply Ind AS from Financial Year beginning on or after 1st April, 2017. Accordingly, these financial statements of the Company have been prepared in accordance with the Ind AS.

These standalone financial statements are prepared on accrual basis of accounting on going concern assumption and comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable). These financial statements were authorized for issue by Board of Directors on 30TH April, 2024.

2. Basis of measurement

The financial statements have been prepared on historical cost convention except for revalued costs in respect of certain financial assets and liabilities viz. Investments etc. which have been measured at fair value as required by IND AS.

3. Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All amounts have been rounded off to the nearest lakhs.

Handwritten signature/initials.

Handwritten signature/initials.

4. Current and Non Current Classification

The company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle,
- Held primarily for the purpose of trading,
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. Deferred tax assets and liabilities are classified as Non-Current assets and liabilities.

C. ~~Material~~ Significant Accounting Policies

A summary of the accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

On transition to IND AS, the company had elected to utilize the option under Ind AS 101 by not applying the provisions of Ind AS 16 and Ind AS 40 retrospectively and continue to use the previous GAAP carrying amount as a deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying amount of property, plant and equipment and investment property as per the previous GAAP as at 1st April 2016, i.e.; the Company's date of transition to Ind AS, were maintained on transition to Ind AS.

1. Property, Plant and Equipment

Initial recognition and measurement

An item of PPE is recognised as an asset if and only if it is probable that future economic benefits associated with them will flow to the company and the cost of item can be measured reliably.

An item of Property, Plant and Equipment is carried at cost less accumulated depreciation and any accumulated impairment losses. Cost includes any cost directly attributable to bringing the asset to the location and operating condition like installation and assembly cost. Any trade discounts and rebates are deducted in arriving at the cost. All cost related to acquisition and installation are capitalized.

Items of Property, Plant and Equipment having different useful lives are recognized separately.

Subsequent cost

Subsequent expenditure is added to the book value only if it increases the future economic benefits from the existing asset.

Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual Value at 5% or lower of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

De-recognition

An item of Property, plant and Equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains or losses on disposal/ transfer/ de-recognition of item of property, plant and Equipment are determined as difference between net sale proceeds and the carrying amount of Property, Plant and Equipment and is recognized in statement of profit and loss.

2. Investment Property

Initial Recognition

Investment property comprises portions of freehold land, leasehold land and office buildings that are held for long-term rental yields and/or for capital appreciation. Investment properties are initially recognized at cost and subsequently recognized at cost less accumulated depreciation and accumulated impairment losses.

Depreciation

The depreciation on building is calculated using the straight line method over the estimated useful life as specified in Schedule II to the Companies Act, 2013. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the statement of profit and loss when the changes arise.

De-recognition

Investment properties are derecognized when either they have been disposed off or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its use. The difference between the net sale proceeds and the carrying value of the investment property is recognized in the statement of profit and loss as gain or loss on sale of investment property.

3. Borrowing Costs

Borrowing costs specifically relating to the acquisition of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing cost consists of interest and other cost that the company incurs in connection with the borrowing funds.

All other borrowing costs are recognized in the Statement of Profit and Loss as expense in the period in which they are incurred.

4. Taxation

Income tax expense represents the sum of current tax and deferred tax (including MAT). Current tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in OCI or equity.

Current tax provision is made in accordance with the relevant tax regulations applicable to the company. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current income taxes are recognized under 'Income tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. However no deferred tax asset is recognized in respect of current year losses considering prudence and absence of virtual certainty .

Deferred tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

MAT paid in the year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as a deferred tax asset only when and to the extent, there is convincing evidence that the company will pay normal income tax during the specified period i.e. the period for which MAT credit is allowed to be carried forward. The company reviews the MAT credit entitlement at each balance sheet date and writes down the carrying value of MAT credit entitlement to the extent that there is no longer convincing evidence to the effect that company will pay normal tax during the specified period. As company has during the opted for new tax regime under section 115BAA of Income Tax Act, 1961, no MAT is paid and no provision for the same is made.

5. Cash Flow Statement

84

[Handwritten signature]

Cash flow statement is prepared in accordance with the indirect method prescribed in IND AS 7 "Statement of Cash Flows".

6. Earnings per Share

Basic earning per share is calculated by dividing net profit or loss for the period attributable to the equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for the events such as bonus issue, bonus element in a right issue, share split and reverse share split that have changed the number of equity shares outstanding, without a corresponding change in resources.

7. Provisions and Contingencies

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to the financial statements. Contingent liabilities are disclosed on the basis of judgment of management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are possible assets that arise from past events and whose existence will be continued only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of

384

[Handwritten signature]

judgement of management. These are assessed continually to ensure that developments are appropriately reflected in financial statements.

8. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, demand deposits with banks and short-term deposits with an original maturity of three months or less, that are readily convertible into known amount of cash and are subject to an insignificant risk of changes in value.

9. Inventory

Inventories are valued at the lower of cost and net realizable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

10. Financial Instruments

a) Financial Assets

Company's financial assets include investments, fixed deposits being not part of cash equivalents, inventories, trade receivables, security deposits, advances, cash and cash equivalents and short term loans and advances.

Initial Recognition and measurement

All financial assets are recognized initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, at fair value plus transaction costs that are attributable to the acquisition or issue of the financial asset.

Subsequent measurement

i. Financial Instruments at amortised Cost

The Financial Instrument is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. Equity Investments

All equity investments in scope of IND AS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at FAIR VALUE THROUGH PROFIT AND LOSS (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election

28/11

[Handwritten signature]

on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

The company has decided to measure its investment in Equity Instruments at FVTOCI.

Equity Investment in fellow subsidiary are measured at cost, as cost represents the appropriate estimate of fair value in case of these investments.

iii. Mutual Funds/ AIF's

All Mutual funds/ AIF's in scope of IND AS 109 are measured at Fair Value through Profit and Loss.

De-recognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) The Company has transferred substantially all the risks and rewards of the asset, or
 - (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on following financial assets:

Trade Receivables:

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. However company's trade receivables are of short term nature, hence no expected credit loss is provided.

Other financial assets:

For recognition of impairment loss on other financial assets and risk exposure, the company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

24

Ram L.

The estimated impairment losses are recognized as a separate provision for impairment and the impairment losses are recognized in the Statement of Profit and Loss under the head other expenses and if significant by a separate line item in statement of profit and loss.

b) Financial Liability

The company's financial liabilities mainly include borrowings including deposits, trade payable and other payables.

Initial Measurement

All financial liabilities other than fair value through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liabilities that are carried at fair value through profit and loss is expensed in statement of Profit and Loss.

Subsequent Measurement

These liabilities include borrowings and deposits. Subsequent to initial recognition, these liabilities are measured at amortised cost using effective interest method. Amortised cost is calculated by taking in to account any discount or premium on acquisition and fees or costs that are integral part of EIR. The EIR amortisation is included as finance cost in the statement of profit and loss. This category generally applies to borrowings.

Since there are only short term borrowings repayable on demand with no or immaterial transaction cost, EIR has not been calculated.

De-recognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

11. Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated.

An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount which is only to the extent that the asset's carrying amount does not exceed the carrying

amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

12. Fair Value measurement

In determining the fair value of its financial instruments, the Entity uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. These methods used to determine fair value includes discounted cash flow analysis, available quoted market prices, dealer quotes and other appropriate methods. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

13. Revenue

Company's revenue is arising from renting of properties. For all operating leases rental income is recognized on the basis of contracts. Revenue from sale of services is recognized on rendering of services. Company collects service tax/GST on behalf of the government and therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue. Revenue from other income comprises interest on bank deposits and loans and advances, dividend/ other income from investments, Profit on transfer of fixed assets, unrealized gains on fair value conversion of investments other than equity instruments. Share of profit/loss from investment in partnership firm being associate is recognized and disclosed separately in Statement of profit and loss.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend/ other Income

Dividend / other income on investment is accounted for as and when the right to receive the same is established.

14. Dividends

Dividends and interim dividends payable to the Company's shareholders are recognized as changes in equity in the period in which they are approved in the shareholders' meeting and the Board of Directors respectively. Company has not declared or proposed any dividend payable to shareholders.

15. Employee Benefits

- a) Short term Employee Benefits-Short term employee benefits like salaries, non-vesting compensated absences and various incentives that fall due within twelve month from the end of the year in which the employee provide the services are recognized as expenses in year of incurring the expenditure as employee provides the services to the entity by reference to which the benefits are payable.

These are recognized as an expense in the statement of profit and loss for the year in which the related services are rendered.

- b) Long Term Benefit Plans-Provident fund and Gratuity liability will be accounted for on applicability of the statute.

16. Use of Estimates and Management judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

a) Useful life of Property, Plant and Equipment

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Useful life of assets is determined in accordance with Schedule II of the Companies Act, 2013. The Company reviews at the end of each reporting date the useful life of property, plant and equipment.

b) Recoverable amount of Property, Plant and Equipment

The recoverable amount of Property, plant and equipment is based on estimates and assumptions regarding in particular the expected market outlook and future cash flows associated with the property, plant and equipment. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

c) Impairment of Financial assets

The impairment Provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

30

[Handwritten signature]

d) Provisions and Contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with IND AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events require best judgment by management regarding the probability of exposure to potential loss. If circumstances change following unforeseeable developments, then this likelihood could alter.

e) Income Taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in financial statements.

f) Fair value Measurement of Financial Instruments

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arms length transaction at the reporting date.

X Disclosure as per Ind AS 108:

Operating Segments is given in consolidated financial statements of holding company . Company is engaged in investing and dealing in securities and properties. Company is engaged in business in India only being the only geographical segment

XI Financial Risk Management

The Company's principal financial liabilities, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The most significant financial risks to which the Company is exposed to are described as follows:-

a) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as investment price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and other financial assets. This is based on the financial assets and financial liabilities held as at March 31, 2024 and March 31, 2023.

b) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

c) Liquidity risk.

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations/commitments without incurring unacceptable losses.

d) Physical risk

It is the risk of theft, robbery or fakeness of cash and cash equivalents leading to financial loss.

Risk Management framework

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company whenever considers necessary and proper, uses derivative financial instruments to hedge certain risk exposures. The Company does not acquire or issue derivative financial instruments for trading or speculative purposes. However during the year no use of derivative financial instruments was done

Risk management is carried out by the Board of Directors under policies approved by identifying, evaluating and hedging financial risks. The board provides principles for overall risk management, as well as policies covering specific areas, such as interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity. For physical risk training of employees to recognise the fake currency, lower physical cash and insurance cover policy is followed.

Financial Risk Management

A) Market risk

Interest Rate Risk:

Interest rate risk is the risk that the fair value of the future cash flows of the financial instrument will fluctuate because of changes in market interest rates. In order to manage the interest rate risk, Board of Directors perform a comprehensive corporate interest rate risk management by balancing the proportion of fixed interest rate and floating rate financial instruments in its total portfolio.

Since the company only has fixed interest rate instruments, it is not exposed to significant interest rate risk as at the respective reporting periods.

Particulars	31-Mar-24	31-Mar-23
Financial Assets		
Loan to Related Parties(including interest receivable)	1483.78	1048.78

Loan to others	54.50	52.70
Preference Shares redeemable at premium	454.97	383.73
Bank Deposits(including interest accrued)	0.00	0.00
Total	1993.26	1485.21
Financial Liabilities		
Loans from related parties including interest payable	191.29	95.69
Loans from others including interest accrued but not due	0.00	0.00
Total	191.29	95.69

Fair Value Sensitivity Analysis for Fixed Rate Instruments

Company's fixed rate instruments are generally of short term nature. Also, other instruments are carried at amortised cost. They are therefore not subject to any material interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Investment Price Risk

The entity's listed and known listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities.

a) Exposure to Investment Price Risk

Particulars	31-Mar-24	31-Mar-23
Investment in Equity Instruments	674.80	614.35
Investment in Preference Shares	454.97	383.73
Investment in Mutual Funds	140.30	164.98
Convertible Promissory Note	40.00	40.00
	1310.07	1203.06

b) Sensitivity Analysis

Particulars	31-Mar-24			31-Mar-23		
	Sensitivity Analysis	Impact on		Sensitivity Analysis	Impact on	
		Profit before Tax	Other Equity		Profit before Tax	Other Equity
Market Rate Increase	5%	65.50	49.02	5%	60.15	45.01
Market Rate Decrease	5%	-65.50	-49.02	5%	-60.15	-45.01

Tax impact has been considered as per normal rate of tax u/s 115BAA of Income Tax Act, 1961 on gross investment for sake of simplicity and understandability

B) Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments. Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 3 years past due and when management is of the opinion that all the possible efforts have been undertaken for recovery but the recovery is not possible. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are to be recognized in profit and loss. Continuous efforts are made to ensure timely payment from the customers.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored.

The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent. However as on the date of balance sheet there was no advance payment/security deposit from its customers in view of their being no revenue from operation and income being other income only.

The ageing of trade receivable is as below:

Particulars	Neither due nor impaired	Past Due			Total
		Upto 6 months	6 to 12 months	Above 12 months	
Trade Receivables					
As at March 31, 2024				0.88	0.88
Unsecured					
As at March 31, 2023				0.88	0.88
Unsecured					

In the opinion of management, all current assets have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet. Looking to the very low risk of default, recognising impairment loss or Expected Credit Loss was not considered necessary.

Financial instruments and cash deposits

The cash and cash equivalents as well as deposits with bank are held with banks of high rating. The banks are also chosen as per the geographical and other business conveniences and needs.

C.) Liquidity Risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements.

The company does not anticipate any problem in obtaining external funding in the foreseeable future when the need arises.

The table below provides undiscounted cash flows towards non-derivative financial liabilities and other liabilities:

Particulars	As at 31-3-2024				Total
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	191.29				191.29
Trade / other payables	0.04				0.04
Total Financial Liabilities	191.33				191.33
Other liabilities		7.54			7.54
Total	191.33	7.54	-	-	198.87

Particulars	As at 31-3-2023				Total
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	95.69				95.69
Trade / other payables	0.04				0.04
Total Financial Liabilities	95.73				95.73
Other liabilities	1.37				1.37
Total	97.10		-	-	97.10

D.) Physical Risk

Management keeps the cash and cash equivalents at very minimum level to take care of risk of theft/robbery.

As regards fake currency, employees are trained to recognise valid currency.

b) Fair Value hierarchy

Financial assets and liabilities measured at Fair value	Level 1	Level 2	Level 3	Total
As at 31 March 2024				
Financial Assets				
Investments in quoted Equity instruments	318.00			318.00
Investments in unquoted Equity instruments			356.80	356.80
Investment in preference shares(Debt)			454.97	454.97
Investment in Mutual Funds AIF's	140.30			140.30
Convertible Promissory Note			40.00	40.00
Financial Liabilities	-	-	-	-
As at 31 March 2023				
Financial Assets				
Investments in quoted Equity instruments	259.20			259.20
Investments in unquoted Equity instruments			355.15	355.15
Investment in preference shares(Debt)			383.73	383.73
Investment in Mutual Funds AIF's	164.98			164.98
Convertible Promissory Note			40.00	40.00
Financial Liabilities	-	-	-	-

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices/ available NAV in case of Mutual funds/ AIF's. This includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE). Instruments like Mutual funds where NAV,s are available are stated at available NAV.

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes investments in unquoted equity instruments and preference shares, convertible promissory note and investment in partnership firm

c) Valuation technique used to determine fair value:

Specific Valuation techniques used to fair value the financial instruments include:

Handwritten signature

Handwritten signature

(i) For Financial instruments other than mentioned at (ii) and (iii) below- As per level 1,2 and 3 as the case may be i.e. quoted market price, closing NAV,s, book values etc.

(ii) For Financial liabilities (public deposits, long term borrowings) Discounted Cash Flow; appropriate market borrowing rate of entity as on each balance sheet date used for discounting. Company does not have public deposits and long term borrowings. Borrowings of company are repayable on demand

(iii) For financial assets (loans) discounted cash flow; appropriate market borrowing rate of the entity as on each balance sheet date is used for discounting. Company has given loans which are repayable on demand

d) Fair value of financial assets and liabilities measured at amortized cost

Particulars	Level	3/31/2024		3/31/2023	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial Assets					
Loans	3	1,538.28	1,538.28	1,101.48	1,101.48
Trade Receivables	3	0.88	0.88	0.88	0.88
Total		1,539.16	1,539.16	1,102.36	1,102.36
Financial Liabilities					
Loans- Borrowing from banks	3	-	-	-	-
Other Borrowings -	3	191.29	191.29	95.69	95.69
Other Financial Liabilities	3	0.04	0.04	0.04	0.04
Total		191.33	191.33	95.73	95.73

XIII Capital Risk Management

For the purposes of the Company's capital management, capital includes issued capital, share premium and all other equity reserves. Net debt includes interest bearing borrowings less cash and short term deposits. The primary objective of the Company's Capital Management is to maximize shareholder value.

Particulars	As at 31-3-24	As at 31-3-23
Total debt	191.29	95.69
Less: cash and cash equivalents	37.44	31.04
Net Debt	153.85	64.65
Equity	3,800.59	3,808.79
Net debt to equity ratio	0.04	0.02

y Company is not having any information about Micro and Small enterprises registered under MSMED Act,2006 and also has not received any claim for interest from any supplier. Accordingly amount of principal and interest due/paid to Micro and Small enterprises under MSMED Act,2006 is nil and all outstanding dues under current/non- current liabilities are the outstanding dues of enterprises other than Micro and Small enterprises.

XV

INDAS 115 -Company's revenue is arising from renting of properties. Revenue from sale of services is recognised on rendering of services. Company collects GST on behalf of Government and therefore, it is not an economic benefit flowing to the Company. Hence it is excluded from revenue. Revenue from other income comprises interest on bank deposits and loans and advances, dividend from investment, unrealised gains on fair value conversion of investment other than equity instruments, share of profit or loss from investment in partnership firm, and realised gains on redemption of mutual funds. In respect of renting of properties, security deposit is taken by the company from tenants and is shown as other financial liabilities. Disaggregation of revenue is duly depicted in note 19 and 20 and amount receivable is appearing in sundry debtors. Share of Profit and loss from investment in partnership firm is shown separately on the face of statement of profit and loss as a separate line item. During the year there was no income from renting as company had no property given on rent.
