GUIDELINES FOR DETERMINING MATERIALITY OF EVENTS OR INFORMATION:

The following criteria will be applicable for determination of materiality of event or information: –

Quantitative criteria would be calculated based on audited consolidated financial statements and would mean the omission of an event/ information whose value involved or the expected impact in terms of value, exceeds the lower of the following:

- (a) 2% (two per cent) of consolidated turnover, as per the last audited consolidated financial statements of the Company; or
- (b) 2% (two per cent) of consolidated net worth as per the last audited consolidated financial statements of the Company (except in case the arithmetic value of the net worth is negative)); or
- (c) 5% (five percent) of average of absolute value of consolidated profit or loss after tax for last 3 years, as per the last 3 (three) audited consolidated financial statements of the Company.

In terms of the SEBI Disclosure Circular, if the average of absolute value of profit or loss is required to be considered by disregarding the 'sign' (positive or negative) that denotes such value as the said value / figure is required only for determining the threshold for 'materiality' of the event and not for any commercial consideration.

The details to be provided to the Stock Exchanges while disclosing Para B Events shall be in compliance with the requirements of the SEBI Disclosure Circular.

For the avoidance of doubt, it is clarified that if the objective materiality threshold is not met, an event or information may be treated as being material if in the opinion of the Board of the Company, the event or information is considered material.

Qualitative criteria would mean an event/ information:

- (a) the omission of an event or information, which is likely to result in discontinuity or alteration of event or information already available publicly; or
- (b) the omission of an event or information is likely to result in significant market reaction if the said omission came to light at a later date; or

7. Guidelines on occurrence of an Event or Information & its Timely Disclosure

In certain instances, the answer to above question would depend upon the stage of discussion, negotiation or approval and in other instances where there is no such discussion, negotiation or approval required viz. in case of natural calamities, disruptions etc., the answer to the above question would depend upon the timing when the Company became aware of the event/information.

In the former, the events/information (based on the facts and circumstances), can probably be said to have occurred upon receipt of approval of Board of Directors. However, considering the price sensitivity involved, for certain events e.g., decision on declaration of dividends etc., disclosure shall be made on receipt of approval of the event by the Board of Directors, pending Shareholder's approval.

In the latter, the events/information can be said to have occurred when the Company becomes aware of the events/information, or as soon as, an officer of the Company has, or ought to have reasonably come into possession of the information in the course of the performance of his duties.

Disclosure(s) as required under the Listing Regulations will be made as per following:
