**By Order of the Board
For TRANSCORP INTERNATIONAL LIMITED**

**DILIP KUMAR MORWAL
COMPANY SECRETARY
(Membership No. ACS 17572)**

**Place: Jaipur
Date: 17.05.2019**

Notes:

1. The statement pursuant to Section 102 of the Companies Act, 2013, in respect of the **SPECIAL BUSINESS** to be transacted at the meeting is attached. The relevant details pursuant to regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and secretarial standard on general meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re-appointment at this annual general meeting are also annexed.
2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/ PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF. SUCH A PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.** A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than 10% of share capital carrying voting rights of the Company may appoint single person as proxy and such person shall not act as a proxy for any other shareholder.

The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting. A Proxy form is sent herewith. Proxies submitted on behalf of the companies, societies etc., must be supported by certified copy of Board Resolution authorizing their representative to attend and vote on their behalf/authority, as may be applicable. The members are requested to intimate any change in their address with pin code, if any, immediately and quote folio number in all correspondence.

3. Non-Resident Indian Shareholders are requested to inform the company immediately about:
 - a. The Change in the residential status on return to India for permanent settlement.
 - b. The particulars of NRO Bank Account in India, if not furnished earlier.
4. The members are requested to send all their communications to the Registrar & Share Transfer Agent M/s Alankit Assignments Ltd., RTA Division, 3E/7, Jhandewalan Extension, New Delhi-110055 (India) or at the Share Division Office of the Company at 5th Floor, Transcorp Towers, Moti Doongri Road, Jaipur-302004.
5. Members/Proxies should fill the Attendance Slip for attending the Meeting. Members who hold shares in dematerialized form are requested to bring their Client ID and DP ID numbers for easy identification for attendance at the Meeting.
6. Brief resume of Directors including those proposed to be appointed /re-appointed, nature of their expertise in specific functional areas, names of companies in which they hold directorships and memberships/chairmanships of Board Committees, shareholding and relationships between directors inter-se as stipulated under Regulation 36 of SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015, are provided in the Corporate Governance Report forming part of the Annual Report and also enclosed with this notice.
7. The members are requested to intimate any change in their address with pin code, if any, immediately and quote folio number in all correspondence. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, permanent account number(PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, to their DPs in the case the shares are held in electronic mode and to the company registrar and transfer agents, in the case the shares are held by them in physical form.
8. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
9. As per Section 125 of the Companies Act, 2013, the amount of unpaid or unclaimed dividend lying in unpaid dividend account for a period of seven (7) years from the date of its transfer to the unpaid dividend account, is required to be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Accordingly, the unclaimed dividend in respect of financial year 2010-11 was transferred to the IEPF in August 2018. The unclaimed dividend in respect of financial year 2011-12 is in the process of being transferred to the IEPF in accordance with the provisions of Section 125 of the Companies Act, 2013.
10. As per Rule 5 of Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), information containing the names and the last known addresses of the persons entitled to receive the sums lying in the account referred to in Section 125 (2) of the Act, nature of amount, the amount to which each person is entitled, due date for transfer to IEPF fund, etc is provided by the Company on its website and on the website of the IEPF. The concerned members are requested to verify the details of their unclaimed dividend, if any, from the said websites and lodge their claim with the Company's RTA or with the Company, before the unclaimed dividends are transferred to the IEPF. The members whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority in form no. IEPF-5 available on www.iepf.gov.in.
11. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to Section 72 of the Companies Act, 2013. Members desiring to avail this facility may send their nomination in the prescribed Form SH 13 in duplicate, duly filled in, to the RTA at the address mentioned in the Notes. The prescribed form in this regard may also be obtained from the RTA at the address mentioned in the Notes. Members holding shares in electronic form are requested to contact their Depository Participants directly for recording their nomination.

12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to Company or RTA.
13. In terms of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 securities of listed companies can only be transferred in dematerialized form with effect from 1st april, 2019. In view of the above, members are advised to dematerialize shares held by them in physical form.
14. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and the Register of Contracts and Arrangements in which Directors are interested maintained under Section 189 of the Act and also required certificates from Statutory Auditors of the Company shall be made available at the commencement of the meeting and shall remain open and accessible to the members during the continuance of the AGM.
15. Electronic copy of the Annual Report including Notice of Annual General Meeting of the Company *inter alia* indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s)/RTA for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report including notice of Annual General Meeting of the Company *inter alia* indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent through the permitted mode.

Members may also note that the Notice of Annual General Meeting along with Attendance Slip, Proxy Form and Annual Report 2018-2019 will also be available on the Company's website www.transcorpint.com in for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office at New Delhi for inspection during normal business hours (9:00 A.M.to 5:00 P.M) on working days upto and including the date of AGM. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost. For any communication, the shareholders may also send requests to the Company's investor email id: grievance@transcorpint.com

Voting through electronic means

- I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).
- II. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
- III. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- IV. The remote e-voting period commences on 24th July 2019 (9:00 am) and ends on 26th July 2019(5:00 pm). During this period members' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 20th July 2019, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
- V. The process and manner for remote e-voting are as under:

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

- Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>
 Step 2 : Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***.

5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "[Forgot User Details/Password?](#)" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) [Physical User Reset Password?](#) (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.

6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to Anandjain175@hotmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "[Forgot User Details/Password?](#)" or "[Physical User Reset Password?](#)" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in

Please note the following:

A member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the AGM.

A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting through Postal ballot.

The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of ballot paper for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.

The Scrutinizer shall after the conclusion of voting through Postal ballot, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the Postal ballot, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith

Other information:

- o Your login id and password can be used by you exclusively for e-voting on the resolutions placed by the companies in which you are the shareholder.
- o It is strongly recommended not to share your password with any other person and take utmost care to keep it confidential.

In case of any queries, you may refer to the Frequently Asked Questions (FAQs) for members and e-voting user manual for members available at the Downloads sections of <https://www.evoting.nsdl.com> or contact NSDL at the following toll free no.: 1800-222-990.

- VI. You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- VII. The voting rights of members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date of 20th July 2019
- VIII. Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e. 20th July 2019 may obtain the login ID and password by sending a request at evoting@nsdl.co.in or grievance@transcorpint.com/ info@alankit.com.

However, if you are already registered with NSDL for remote e-voting then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "[Forgot User Details/Password?](#)" or "[Physical User Reset Password?](#)" option available on www.evoting.nsdl.com or contact NSDL at the following toll free no.: 1800-222-990.

- IX. A member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the AGM.
- X. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through ballot paper.

- XI. Mr. Anand Prakash Jain Chartered Accountant (having membership no. 071045) has been appointed for as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process in a fair and transparent manner.
- XII. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of "remote e-voting" or "Ballot Paper" or "Poling Paper" for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.
- XIII. The Scrutinizer shall after the conclusion of voting at the general meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- XIV. The Results declared alongwith the report of the Scrutinizer shall be placed on the website of the Company www.transcorpintl.com and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the BSE Limited, Mumbai.

ANNEXURE TO THE DIRECTORS' REPORT **A. REPORT ON CORPORATE GOVERNANCE**

COMPANY'S PHILOSOPHY

Corporate Governance is the way of handling the activities of a corporate in a fair and most transparent manner, setting accountability and integrity of the management. Corporate governance has indeed been an integral part of all activities and processes of Transcorp since years. Corporate Governance revolves around commitment and ethical business conduct.

Transcorp Board believes that Corporate Governance is just not as compliances of legal requirements; it is about standards, value ethics and managing the business activities as the trustee of all stakeholders and society at large.

Corporate Governance is a continuous process of sustaining and enhancing the standards of values and ethics. Transcorp's basic philosophy of Corporate Governance is reflected in following principals:

- a) Conducting the business affairs in the ethical manner
- b) Internal checks and audits
- c) Effective and prompt shareholder's communication ensuring correct and timely disclosures and disseminations of all the price sensitive information
- d) Ensuring highest level of accountability and responsibility
- e) Ensuring total compliance with all the applicable laws & regulations
- f) Compliance of Code of Conduct for Board Members and Senior Management along with Insider Trading prevention regulations

CODE OF CONDUCT & ETHICS

Company's Board has laid down a code of conduct for all Board members and senior management of the Company. The code of conduct is available on the website of the Company www.transcorpint.com. All Board members and senior management personnel have affirmed compliance with the Code of Conduct. A declaration signed by the CEO to this effect is enclosed at the end of this report.

PREVENTION OF INSIDER TRADING

The Company has adopted a Code of Conduct for Prevention of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company. The Code requires pre-clearance for dealing in the Company's shares and prohibits the purchase or sale of Company shares by the Directors and the designated employees while in possession of unpublished price sensitive information in relation to the Company and during the period when the Trading Window is closed. The Board is responsible for implementation of the Code.

All Board Members and the designated employees have confirmed compliance with the Code.

MATERIAL SUBSIDIARY

In accordance with the requirements of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, the Company has formulated a Policy for determining Material subsidiary and the same has been hosted on the website of the Company (<http://www.transcorpint.com>).

BOARD OF DIRECTORS

The Board comprises of eminent persons with considerable experience in diverse fields.

The Company has a policy of having optimum combination of independent and non-executive directors, to ensure the independent functioning of the Board. As on 31st March 2019 the Board consisted six members, three of whom were independent directors and at present after the appointment of Mr. Sujan Sinha and Mrs. Apra Kuchhal the Board consists of seven members, four of whom are independent directors including one women director. The Company has received declaration of independence as per the provisions of Section 149 (6) of Companies Act 2013 from all 4 Independent Director. None of the Directors on the Board is a Member of more than ten committees and chairman of more than five committees across all the Companies in which they are directors. All necessary disclosures regarding the directorship have been made by the directors.

DIRECTORS' INDUCTION AND FAMILIARIZATION

The provision of an appropriate induction program for new Directors and ongoing training for existing Directors is a major contributor to the maintenance of high Corporate Governance standards of the Company. The Chief Executive Officer and the Company Secretary are jointly responsible for ensuring that such induction and training program are provided to Directors. The Independent Directors, from time to time request management to provide detailed understanding of any specific project, activity or process of the Company. The management provides such information and training either at the meeting of Board of Directors or otherwise.

The induction process is designed to:

- Build an understanding of the Company, its businesses and the markets and regulatory environment in which it operates;
- Provide an appreciation of the role and responsibilities of the Director;
- Fully equip Directors to perform their role on the Board effectively; and
- Develop understanding of Company's people and its key stakeholder relationships.

Upon appointment, Directors receive a Letter of Appointment (as updated on the website of the Company viz. <http://transcorpint.com/assets/Policies/Appointment-Letter-for-Independant-Director.pdf>.) setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. In addition to the extensive induction and training provided as part of the familiarization program, the Independent Directors are also taken through various business and functional sessions in the Board meetings including the Board meetings to discuss strategy. The details of program for familiarization of Independent Directors with the Company are put up on the website of the Company at <http://transcorpint.com/wp-content/uploads/2018/03/FAMILIARIZATION-PROGRAMME-FOR-INDEPENDENT-DIRECTORS.pdf>.

B. Compliance with Regulations

There has been no non-compliance or penalties or strictures imposed on your company by any of the Stock Exchanges or SEBI or any statutory authority on any matter related to capital markets during the last three years.

C. Risk Management

The Company has adopted a Risk Management Policy. It has laid down the procedures to inform the Board Members every quarter about the risk assessment and minimization procedures. These procedures are periodically reviewed to ensure the executive management controls various risks by means of properly defined framework.

RISK MANAGEMENT COMMITTEE

During the year, your Directors have constituted a Risk Management Committee which has been entrusted with the responsibility to assist the Board in (a) Overseeing and approving the Company's enterprise wide risk management framework; and (b) Overseeing that all the risks that the organization faces such as strategic, financial, credit, market, liquidity, security, property, IT, legal, regulatory, reputational and other risks have been identified and assessed and there is an adequate risk management infrastructure in place capable of addressing those risks. A Risk Management Policy was reviewed and approved by the Committee. The Company manages monitors and reports on the principal risks and uncertainties that can impact its ability to achieve its strategic objectives. The Company's management systems, organizational structures, processes, standards, code of conduct and behaviors together form the Management System that governs how the company conducts the business of the Company and manages associated risks. The Company has introduced several improvements to Integrated Enterprise Risk Management, Internal Controls Management and Assurance Frameworks and processes to drive a common integrated view of risks, optimal risk mitigation responses and efficient management of internal control and assurance activities. This integration is enabled by all three being fully aligned across Company wide Risk Management, Internal Control and Internal Audit methodologies and processes.

Constitution of the committee is as under:-

1. Mr. Ashok Kumar Agarwal, Director
2. Any other available Director
3. Mr. Amitava Ghosh, CEO
4. Mr. Dilip Kumar Morwal, Company Secretary

Risk Management Policy is being posted on the web site of the company at <http://transcorpint.com/assets/Policies/Risk-TIL-23072012-Final-17012015.pdf>.

D. Accounting Standards

The Company has duly followed the accounting standards laid down by the Institute of Chartered Accountants of India.

The Company has complied with the mandatory requirements of corporate governance as required by the provisions of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

BUSINESS REVIEW

GENERAL ECONOMY

Global growth is expected to remain at 3.0 per cent in 2019 and 2020, however, the steady pace of expansion in the global economy masks an increase in downside risks that could potentially exacerbate development challenges in many parts of the world, according to the World Economic Situation and Prospects 2019. The global economy is facing a confluence of risks, which could severely disrupt economic activity and inflict significant damage on longer-term development prospects. These risks include an escalation of trade disputes, an abrupt tightening of global financial conditions, and intensifying climate risks.

In many developed countries, growth rates have risen close to their potential, while unemployment rates have dropped to historical lows. Among the developing economies, the East and South Asia regions remain on a relatively strong growth trajectory, amid robust domestic demand conditions. Beneath the strong global headline figures, however, economic progress has been highly uneven across regions. Despite an improvement in growth prospects at the global level, several large developing countries saw a decline in per capita income in 2018. Even among the economies that are experiencing strong per capita income growth, economic activity is often driven by core industrial and urban regions, leaving peripheral and rural areas behind. While economic activity in the commodity-exporting countries, notably fuel exporters, is gradually recovering, growth remains susceptible to volatile commodity prices. For these economies, the sharp drop in global commodity prices in 2014/15 has continued to weigh on fiscal and external balances, while leaving a legacy of higher levels of debt.

Indian Economy

Introduction

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships.

Market size

India's GDP is estimated to have increased 7.2 per cent in 2017-18 and 7 per cent in 2018-19. India has retained its position as the third largest startup base in the world with over 4,750 technology start-ups.

India's labour force is expected to touch 160-170 million by 2020, based on rate of population growth, increased labour force participation, and higher education enrolment, among other factors, according to a study by ASSOCHAM and Thought Arbitrage Research Institute.

India's foreign exchange reserves were US\$ 405.64 billion in the week up to March 15, 2019, according to data from the RBI.

Recent Developments

With the improvement in the economic scenario, there have been various investments in various sectors of the economy. The M&A activity in India reached record US\$ 129.4 billion in 2018 while private equity (PE) and venture capital (VC) investments reached US\$ 20.5 billion. Some of the important recent developments in Indian economy are as follows:

During 2018-19 (up to February 2019), merchandise exports from India have increased 8.85 per cent year-on-year to US\$ 298.47 billion, while services exports have grown 8.54 per cent year-on-year to US\$ 185.51 billion.

Nikkei India Manufacturing Purchasing Managers' Index (PMI) reached a 14-month high in February 2019 and stood at 54.3.

Net direct tax collection for 2018-19 had crossed Rs 10 trillion (US\$ 144.57 billion) by March 16, 2019, while goods and services tax (GST) collection stood at Rs 10.70 trillion (US\$ 154.69 billion) as of February 2019.

Proceeds through Initial Public Offers (IPO) in India reached US\$ 5.5 billion in 2018 and US\$ 0.9 billion in Q1 2018-19.

India's Foreign Direct Investment (FDI) equity inflows reached US\$ 409.15 billion between April 2000 and December 2018, with maximum contribution from services, computer software and hardware, telecommunications, construction, trading and automobiles.

India's Index of Industrial Production (IIP) rose 4.4 per cent year-on-year in 2018-19 (up to January 2019).

Consumer Price Index (CPI) inflation stood at 2.57 per cent in February 2019.

Net employment generation in the country reached a 17-month high in January 2019.

Government Initiatives

The Interim Union Budget for 2019-20 was announced by Mr Piyush Goyal, Union Minister for Finance, Corporate Affairs, Railways and Coal, Government of India, in Parliament on February 01, 2019. It focuses on supporting the needy farmers, economically less privileged, workers in the unorganized sector and salaried employees, while continuing the Government of India's push towards better physical and social infrastructure.

Total expenditure for 2019-20 is budgeted at Rs 2,784,200 crore (US\$ 391.53 billion), an increase of 13.30 per cent from 2018-19 (revised estimates).

Numerous foreign companies are setting up their facilities in India on account of various government initiatives like Make in India and Digital India. Mr. Narendra Modi, Prime Minister of India, has launched the Make in India initiative with an aim to boost the manufacturing sector of Indian economy, to increase the purchasing power of an average Indian consumer, which would further boost demand, and hence spur development, in addition to benefiting investors. The Government of India, under the Make in India initiative, is trying to give boost to the contribution made by the manufacturing sector and aims to take it up to 25 per cent of the GDP from the current 17 per cent. Besides, the Government has also come up with Digital India initiative, which focuses on three core components: creation of digital infrastructure, delivering services digitally and to increase the digital literacy.

Some of the recent initiatives and developments undertaken by the government are listed below:

In February 2019, the Government of India approved the National Policy on Software Products – 2019, to develop the country as a software hub.

The National Mineral Policy 2019, National Electronics Policy 2019 and Faster Adoption and Manufacturing of (Hybrid) and Electric Vehicles (FAME II) have also been approved by the Government of India in 2019.

Village electrification in India was completed in April 2018. Universal household electrification is expected to be achieved by March 2019 end.

The Government of India released the maiden Agriculture Export Policy, 2018 which seeks to double agricultural exports from the country to US\$ 60 billion by 2022.

Around 1.29 million houses have been constructed up to December 24, 2018, under Government of India's housing scheme named Pradhan Mantri Awas Yojana (Urban).

Prime Minister's Employment Generation Programme (PMEGP) will be continued with an outlay of Rs 5,500 crore (US\$ 755.36 million) for three years from 2017-18 to 2019-20, according to the Cabinet Committee on Economic Affairs (CCEA).

Road Ahead

India's gross domestic product (GDP) is expected to reach US\$ 6 trillion by FY27 and achieve upper-middle income status on the back of digitisation, globalisation, favourable demographics, and reforms.

India's revenue receipts are estimated to touch Rs 28-30 trillion (US\$ 385-412 billion) by 2019, owing to Government of India's measures to strengthen infrastructure and reforms like demonetisation and Goods and Services Tax (GST).

India is also focusing on renewable sources to generate energy. It is planning to achieve 40 per cent of its energy from non-fossil sources by 2030 which is currently 30 per cent and also have plans to increase its renewable energy capacity from to 175 GW by 2022.

India is expected to be the third largest consumer economy as its consumption may triple to US\$ 4 trillion by 2025, owing to shift in consumer behavior and expenditure pattern, according to a Boston Consulting Group (BCG) report; and is estimated to surpass USA to become the second largest economy in terms of purchasing power parity (PPP) by the year 2040, according to a report by PricewaterhouseCoopers.

Exchange Rate Used: INR 1 = US\$ 0.0145 as on March 29, 2019

BUSINESS AND INDUSTRY DEVELOPMENTS, OPPORTUNITIES & THREATS

OUTLOOK, OPPORTUNITIES AND THREATS

The principal focus areas of the company are money changing, remittance and pre-paid payment systems.

1. Foreign Exchange Business:

Your Company is designated Authorized Dealer (Category II) from Reserve Bank of India, for money changing which includes buying and selling of Foreign Exchange in retail as well as wholesale to individuals and corporate clients and various permissible Outward Remittance activities such as remittance for overseas education, medical treatment abroad, emigration and emigration consultancy fees and for other permissible purpose.

The Foreign exchange & Outward remittance business has seen unhindered growth for over decades due to increase in travel and business activities across the globe. Your Company has strong view that such incremental growth in the business will continue to surge in coming years. With Government effort to liberalize the forex regime, over last five years, there has been tremendous growth in Outward remittances.

During the financial year 2018-2019 the turnover of outward remittance business increased by more than 222%. Keeping in view of the increasing demand in outward remittance sector, the company is aggressively pursuing outward remittance business.

The company, during the year under consideration, the sales of Foreign Exchange division (including outward remittance) was Rs.146094.13 Lakhs (for F.Y. 2017-18 Rs 78388.72 Lakhs).

Rupee has started showing its signs to lose its hold its grip and poised towards weakening in the coming quarters. The sensitive nature of the currency will remain under pressure till the results of election 2019.

This may increase our exposure. Other than this the banks have started perusing the foreign exchange market aggressively which will increase the competition and as a result of the same the margins will be under pressure.

With the experienced team in the segment the company is hopeful to increase the turnover which will resultantly increase the gross income of the company.

2. Setting up and operating payment systems:

Your company is authorised by Reserve Bank of India for issuing semi closed loop pre-paid instrument. Under this license following activities can be undertaken:

- Domestic Money Transfer
- Prepaid Cards / Wallets
- Cash Collection
- EMI and Insurance collection
- Recharges and Bill Payments
- API distribution
- E – Commerce tie up

With the Government's initiation for digital payments and after demonetization in India implies an incredible opportunity for online payment gateways and digital wallets.

The company is in the advance stage of launching its PPI product.

Inward Remittance Business: The company is a sub-agent of Ebix Express Money Private Limited for Inward Remittance Business.

Other than above the company is a national Business correspondent of State Bank of India and having 392 Customer Service Centers in the country.

Other than above the company is in the business of Domestic Money Transfer, General Insurance, Indo Nepal money transfer.

SEGMENT WISE REPORTING

Segment wise revenue, results and capital employed are provided in the notes on account forming part of the Annual Report.

RISK AND CONCERNS

Your company has exposure in foreign exchange and any wide fluctuations in foreign exchange prices have adverse effect on the performance of the company. Further the increase in competition, reduction in profit margins and change in government policies may affect the operation of the company.

Your Company has satisfactory internal control systems, the adequacy of which has been reported by the Auditors in their report as required under Companies (Auditor's Report) Order, 2015. The discussion on the financial performance of the company is covered in the Director's Report.

FORWARD-LOOKING STATEMENTS

This report contains forward-looking statements, which may be identified by use of words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' or other words of similar meaning. All statements that address expectations or projections about the future, including but not limited to statements about the Company's strategy for growth, market position, expenditures and financial results, are forward looking statements.

These statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events.

Certificate for Corporate Governance

To,
The Members
Transcorp International Limited
Plot No. 3, HAF Pocket,
Dwarka, Phase-II,
New Delhi-110075

We have examined the compliance of conditions of corporate governance by Transcorp International Limited, for the year ended 31st March 2019 as stipulated in various regulations of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the company entered into with the stock exchange(s).

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures & implementation thereof, adopted by the company for ensuring the compliance of conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the directors and the management, we certify that the company has complied with the conditions of corporate governance as stipulated in above mentioned The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

ANNEXURE-2

**Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019**

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

**The Members/the Board of Directors
TRANSCORP INTERNATIONAL LIMITED
(CIN:L51909DL1994PLC235697)
Plot No.3, HAF Pocket,
Dwarka, Phase-II,
NEW DELHI -110075**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by "TRANSCORP INTERNATIONAL LIMITED" (CIN:L51909DL1994PLC235697)" (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the registers, records, books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the management, I hereby report that in my opinion, the company has during the audit period covering the financial year ended on 31st March, 2019 (audit period) generally complied with the statutory provisions listed hereunder and also that the company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

1. I have examined the books, papers, minutes books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2019 according to the applicable provisions of
 - I. The Companies Act, 2013 (**the Act**) and the Rules made there under;
 - II. The Securities Contracts (Regulation) Act, 1956 (**'SCRA'**) and the Rules made there under;
 - III. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
 - IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made there under to the extent applicable to its businesses viz., Money Changing and Money Transfer (MTSS)
 - V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act'**) to the extent applicable to the Company :-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - c. The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - e. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - f. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (**Not applicable to the Company during the Audit Period**)
 - g. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (**Not applicable to the Company during the Audit Period**)
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (**Not applicable to the Company during the Audit Period**)
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (**Not applicable to the Company during the Audit Period**)
 - VI. The Memorandum and Articles of Association.
 - VII. The prevention of Money Laundering Act, 2002 and the rules made there under.
 - VIII. Rules framed by Reserve Bank of India on FPMC Company and compliances thereunder
 - IX. The payment and settlement Act, 2007
 - X. And Various other Laws, to the extent applicable, like:-
 - a) Employees Provident Funds & Misc. Provisions Act, 1952;
 - b) Payment of Gratuity Act, 1972;
 - c) Payment of Bonus Act, 1956 and Payment of Bonus Act, 2015;
 - d) Employees' State Insurance Act, 1948 and Employees' State Insurance (General) Regulations, 1950;
 - e) The Sexual Harassment of women at workplace (Prevention, Prohibition, Redressal) Act, 2013

As confirmed by the management, there are no other sector specific laws that are applicable specifically to the company.

I have also examined compliance with the applicable clause of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meeting.
- (ii) The Listing Agreements entered into by the Company with BSE Ltd read with the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015.

During the period under review the Company has complied with the provisions of the Act, rules, regulations, Guidelines, Standards, etc. mentioned above.

2. I further report that the company has, in my opinion, complied with the provisions of the Companies Act, 2013 and the Rules made there under and the Memorandum and Articles of Association of the company with regard to:-
 - a. maintenance of various statutory registers and documents and making necessary entries therein;
 - b. closure of Register of Members;
 - c. forms, returns, documents and resolutions required to be filed with the Registrar of Companies, except to the extent that certain forms, returns, documents etc. were filed with the concerned authority with additional fees due to delay in filing.
 - d. service of documents by the Company on its Members, Stock Exchange, Auditors and the Registrar of Companies and other concerns;
 - e. meetings of Directors and all the Committees of Directors and passing of circular resolutions, and by way of postal ballot;
 - f. the 23rd Annual General Meeting held on July 21, 2018;
 - g. minutes of the proceedings of the Board Meetings, Committee Meetings and General Meetings;
 - h. payment of remuneration to Directors;
 - i. appointment of Statutory Auditor and their remunerations;
 - j. transfer/transmission of the Company's shares, delivery of certificates of shares;
 - k. declaration and payment of dividend;
 - l. Transfer of certain amount as required under the Act to the Investor Education and Protection Fund and uploading of details of unpaid and unclaimed dividends on the website of the Company and the Ministry of Corporate Affairs.
 - m. borrowings and registration, modification and satisfaction of charges wherever applicable;
 - n. Director's Report;
 - o. investment of the Company's funds including inter corporate loans and investments and loans to others ;
 - p. providing loan/advances to the subsidiaries and receiving loan/advances from the subsidiaries;
 - q. form of balance sheet as prescribed under Part I , form of statement of profit and loss as prescribed under Part II and general instructions for preparation of the same as prescribed in Schedule III to the Act;
 - r. contracts, registered office and publication of name of the Company; and

3. I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors and independent Directors and Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be, while the dissenting member's views, if any, are captured and recorded as part of the minutes.'

4. I further report that:

- a) The Directors have complied with the requirement as to disclosure of interests and concerns in contract and arrangement, shareholding and directorships in other companies and interests in other entities.
- b) the Company has obtained all necessary approvals under various provisions of the Act; and
- c) there was no prosecution initiated and no fines or penalties were imposed during the year under review under the Act, SEBI Act, SCRA , Depositories Act, Listing Agreement and rules, regulations and guidelines framed under these Acts against/on the Company, It's directors and officers.

5. The Company has complied with the provisions of the Securities Contract (regulation) Act, 1956 and the rules made under the Act, with regard to maintenance of minimum public shareholding.
6. The Company has complied with the provisions of the FEMA, 1999 and the rules and regulations made under the Act to the extent applicable to its businesses viz., Money Changing and Money Transfer (MTSS)
7. I further report that :
 - a. The Company has complied with the requirements under the Equity Listing Agreements entered into with the BSE Limited.

- b. The Company has complied with the provisions of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 including the provisions with regard to disclosures and maintenance of records required under the said regulations;
 - c. The company has complied with the provisions of the Securities and Exchange board of India (prohibition of Insider Trading) Regulation, 1992 and The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 including the provisions with regard to disclosures and maintenance of records required under the said Regulations; and
 - d. The Company has complied with The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015
 - e. Approved Employees Stock option Scheme 2017 (ESOP Scheme 2017)
 - f. Approved to extend the benefits of Employee Stock Option Plan- 2017 to employees of subsidiary(s) of company.
8. I further report that there are adequate Management Information System and process flow in the company commensurate with the size and operation of the company to monitor and ensure compliance with the applicable law, rules, regulation and guidelines.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by "TRANSCORP INTERNATIONAL LIMITED" (CIN:L51909DL1994PLC235697)" (the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. Further my secretarial audit report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
4. Where ever required, I have obtained the management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The Compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedure on test basis.
6. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

No modifications were made to the schemes during the year

INDEPENDENT AUDITORS' REPORT

To
The Members of Transcorp International Limited

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the Standalone Financial Statements of Transcorp International Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31 March, 2019, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S. No.	Description of Key Audit Matter	How our audit addresses the Key Audit Matter
1.	<p><u>Recognition of trading income: -</u> Fee and trading income consists of the margin generated from foreign currency spreads on the purchase and sale of foreign currency. Trading income is presented inclusive of realized and unrealized income earned from sale of foreign currency contracts to customers.</p> <p><u>Why it is identified as Key Audit Matter</u> This has been considered as a key audit matter because it represents the most significant element of revenue in the Statement of Profit & Loss.</p>	<p>Our audit procedures included, among others, evaluating the design and performing tests over the operating effectiveness of relevant key revenue controls, including reconciliation controls between the transaction recording system, general ledger and bank statements.</p> <p>Our audit approach was a combination of test of controls and substantive procedures which include the following:-</p> <ul style="list-style-type: none"> • Performed data analytic techniques to derive sample of Sale and Purchase of FOREX transactions. • Checked the sample transactions derived through above process. • Examined supporting documents for a sample of manual journal related to sale and purchase of currency. • Performed tests over the operating effectiveness of key reconciliation controls between the transaction recording system and general ledger related to cash.
2.	<p><u>Existence and presentation of cash and cash equivalents: -</u> Cash and cash equivalents include cash held for own use, cash held for settlement of liabilities related to advance from customers.</p> <p><u>Why it is identified as Key Audit Matter</u> This has been considered as a key audit matter due to the inherent importance of cash and cash equivalent to a business involved in money changing and money transfer.</p>	<p>Our testing of the cash and cash equivalents balance included assessing the design and performing tests over the operating effectiveness of key reconciliation controls between the transaction recording system, bank statements and the general ledger.</p> <p>In relation to the balance as at 31 March 2019, we performed the following procedures amongst others:</p> <ul style="list-style-type: none"> • Compared the bank balances recorded by the Company at year-end to confirmations received directly from the relevant banks. Where we were unable to obtain a bank confirmation, we performed alternative procedures such as confirming the recorded balances to bank statements; • Tested all bank reconciliations with a focus on material reconciling items, if any; • Compared the foreign exchange rates used for the translation of foreign-currency denominated cash accounts at year-end to independently sourced exchange rates.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director Report and Corporate Governance Report but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements, that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

A further description of our responsibilities for the audit of the Standalone Financial Statements is included in Appendix -1 of this auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

- (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the Internal Financial Controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements. Refer Note No. 41 to the Standalone Financial Statements;
 - II. The Company has made provision, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Appendix -1

(Referred to in 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' paragraph of the Independent Auditors' Report)

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate Internal Financial Controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 1 TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of TRANSCORP INTERNATIONAL LIMITED on the Standalone Financial Statements for the year ended 31 March 2019

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Fixed Assets (Property, Plant & Equipment).
- (b) The Fixed Assets (Property, Plant & Equipment) have been physically verified wherever practicable in a phased manner by the management/ internal auditors, and the reconciliation of the quantities with the book records has been done on continuous basis. No material discrepancies were noticed on such verifications.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company except Premises at SFS 20, Nehru Place, Tonk Road, Jaipur, held in the name of Rajasthan Industrial Trading Company (since merged in the company), having a cost (gross block) of Rs. 2.04 Lakhs.
- (ii) The inventory being foreign currency and paid documents has been physically verified at reasonable intervals during the year by the Management/ Internal Auditors. The discrepancies noticed on verification between the physical stock and the book stocks, wherever ascertained were not significant and have been properly dealt in the books of accounts.
- (iii) In our opinion and according to the information and explanations given to us, the Company has granted loan to 2 parties covered in the register maintained under section 189 of the Companies Act, 2013.
- a) In our opinion, the rate of interest and other terms and conditions on which the unsecured loans had been granted to the body corporate listed in the register maintained under section 189 of the Act were not, prima facie, prejudicial to the Company's interest.
- b) Schedule of repayment of principal and payment of interest has not been stipulated as loans have been granted on repayable on demand basis. Repayments & receipts of interest are regular whenever demanded. In case of following companies, 50% of the interest accrued has not been received in their account during the year: (in Lakhs)

Sl. No.	Company Name	Principal Amount	Interest Recognized for the period in Financial Statements	Balance As at 31st March, 2019
1	TCI Boruka Projects Limited	593.69	72.06	665.75
2	TCI International Limited**	351.21	45.36	396.57

**Further to above, looking to the financial position of TCI International Limited, company has classified the loan receivable which has significant increase in credit risk. *Accordingly company has made a provision of 75% of the amount outstanding i.e. Rs 297.43 lakhs (75% of 397.58 lakhs). Management has represented us that full efforts will be made for recovery of this loan.

- c) Apart from above There were no overdue amounts in respect of loan granted to the body corporate listed in the register maintained under section 189 of the Act.

ANNEXURE 2 TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of TRANSCORP INTERNATIONAL LIMITED on the Standalone Financial Statements for the year ended 31 March 2019

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to Standalone Financial Statements of Transcorp International Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to Standalone Financial Statements based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial control with reference to Standalone Financial Statements included obtaining an understanding of internal financial control with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with respect to Standalone Financial Statements were operating effectively as at 31 March 2019, based on the internal controls over financial reporting criteria established by the Company considering the components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

1. Company Information and Significant Accounting Policies

A. Reporting entity

Transcorp International Limited is a Public Company domiciled in India and limited by shares (CIN: L51909DL1994PLC235697). The shares of the Company are publicly traded on Bombay Stock Exchange Limited. The address of Company's registered office is Plot No. 3, HAF Pocket, Sector 18A Near Veer Awas, Dwarka Phase II, New Delhi – 110075. The Company is primarily involved in the business of money changing and money transfer i.e. Financial Services. These activities are carried on under the permission granted by RBI.

B. Basis of preparation

1. Statement of Compliance

These standalone financial statements are prepared on going concern basis following accrual basis of accounting and comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable) and applicable provisions of Companies Act, 1956.

These financial statements were authorized for issue by Board of Directors on 17th May 2019.

2. Basis of measurement

The financial statements have been prepared on historical cost convention except for revalued costs and following material items which have been measured at fair value as required by IND AS-

- Defined benefit plans- Plan assets measured at fair value
- Certain financial assets and liabilities measured at fair value

3. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency.

4. Current and Non Current Classification

The company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
 - Held primarily for the purpose of trading,
 - Expected to be realized within twelve months after the reporting period, or
 - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle,
- Held primarily for the purpose of trading,
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred Tax asset/liabilities are classified as non-current.

C. Significant accounting policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements. The Company has elected to utilize the option under Ind AS 101 by not applying provision of Ind AS 16, Ind AS 38 & Ind AS 40 retrospectively and continue to use the Indian GAAP carrying amount as deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying amount of property, plant and equipment, Investment Property and Intangible Assets as at 1 April 2016, the Company's date of transition to Ind AS, according to the Indian GAAP were maintained in transition to Ind AS.

1. Property, plant and equipment

1.1 Initial recognition and measurement

An item of PPE is recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of item can be measured reliably.

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

1.2 Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that the future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

1.3 Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual life of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

The useful lives of the property, plant and equipment are as follows:

Furniture & Fixtures	-	10 years
Office equipment	-	5 years
Buildings	-	60 years
Vehicles	-	8 years
Computers	-	3 years
Air conditioners	-	5 years

1.4 De-recognition

Property, plant and equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

2. Investment Property

2.1 Initial Recognition

Investment properties comprise portions of Leasehold land and office building that is held for long term rental yields and/or for capital appreciation. Investment Property is recognized only when it is probable that the future economic benefits that are associated with the investment property will flow to the company as the cost of the investment property can be measured reliably.

Investment properties are initially recognised at cost. Subsequently investment property comprising of building is carried at cost less accumulated depreciation and accumulated impairment losses.

2.2 Depreciation

The depreciation on building is calculated using the straight line method over the estimated useful life of building of 60 years as specified in Schedule II to the Companies Act, 2013. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the statement of profit and loss when the changes arise.

2.3 De-recognition

Investment properties are de-recognised when either they have been disposed off or when the investment property is permanently withdrawn from use and no future economic benefits is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the statement of profit and loss in the period of de-recognition.

3. Intangible assets

3.1 Initial Recognition & measurement

Identifiable intangible assets are recognized

- When company controls the asset
- It is probable that future economic benefits will flow to the company
- The cost of the asset can be reliably measured

Intangible assets comprise Computer Software that is purchased for business operations of the company. Intangible assets that are acquired by the Company, which have finite useful lives, are recognised at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make assets ready for its intended use.

3.2 Subsequent Cost

Subsequent expenditure is recognised as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measurably reliably.

3.3 Amortization

Intangible assets are amortized on straight line method basis as per the methodology provided and useful life of the asset mentioned in Schedule II of the Companies Act, 2013. Useful life of computer software is 6 Years. Amortization of intangible assets is included in the head depreciation & amortization expenses in the statement of profit & loss.

3.4 De-recognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

4. Inventory

Inventories are valued at the lower of cost and net realizable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. As company's inventory includes Foreign Currency and paid documents, net realizable value is calculated using exchange rate prevailing at the end of accounting year.

5. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cash at banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

6. Foreign currency transactions and translation

Transactions in foreign currencies are initially recorded at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in Statement of profit and loss in the year in which it arises.

7. Borrowing costs

Borrowing costs specifically relating to the acquisition of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing cost consists of interest and other cost that the company incurs in connection with the borrowing of funds.

All other borrowing costs are recognized in the Statement of Profit and Loss as expense in the period in which they are incurred.

8. Income Taxes

Income tax expense comprises current and deferred tax. Current tax expense is recognized in Statement of Profit and Loss A/c except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which it is recognized in OCI or equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current income taxes are recognized under 'Income tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Deferred tax is recognized in Statement of Profit and Loss A/c except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Additional income taxes that arise from the distribution of dividends are recognized at the same time that the liability to pay the related dividend is recognized.

9. Share Based Payments

Share based payments Equity-settled share based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in Statement of Profit and Loss such that the cumulative expenses reflects the revised estimate, with a corresponding adjustment to the Share Based Payments Reserve.

10. Provisions Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the

notes to the financial statements. Contingent liabilities are disclosed on the basis of judgment of management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate. Contingent Assets are possible assets that arise from past events and whose existence will be continued only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgement of management. These are assessed continually to ensure that developments are appropriately reflected in financial statements.

11. Revenue

The Company derives revenues primarily from business of money changing and money transfer.

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. The following is a summary of new and/or revised significant accounting policies related to revenue recognition. Refer Note 1 "Significant Accounting Policies," in the Company's 2018 Annual Report for the policies in effect for revenue prior to April 1, 2018.

Ind AS 115 moves away from the "transfer of risk and rewards" approach and introduces a new "transfer of control" approach delivered through the new five-step model described as follows:

1. Identify the contract with a customer.
2. Identify the separate performance obligations in the contract.
3. Determine the transaction Price.
4. Allocate the transaction price to the separate performance obligations.
5. Recognize revenue when (or as) each performance obligation is satisfied.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company, the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold, and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable and taking into account contractually defined terms of payment.

Company's revenues from sale of traded goods is recognized when all the significant risk & rewards of ownership of the goods have been passed to the buyer, usually on delivery. Revenue from services is recognized on rendering the services.

Revenue from other income comprises interest from banks and body corporates, dividend from long term investments, profit on sale of Property, Plant and equipment, other miscellaneous income, etc. Interest income is recognized, when no significant uncertainty as to measurability or collectability exists, on a time proportion basis taking into account the amount outstanding and the applicable interest rate, using the effective interest rate method (EIR).

Revenue from rentals and operating leases is recognized on an accrual basis in accordance with the substance of the relevant agreement.

Dividend income is recognized in profit or loss on the date when the Company's right to receive payment is established.

12. Employee benefits

12.1. Short term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are booked as an expense as the related service is provided.

A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

12.2. Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). These are of two types:

12.2.1. Defined contribution plans

Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Family Pension Funds are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation.

12.2.2. Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a liability to the company, the present value of liability is recognized as provision for employee benefit. Any actuarial gains or losses in respect of gratuity are recognized in OCI in the period in which they arise.

12.3. Other long-term employee benefits

Benefits under the Company's leave encashment scheme constitute other long-term employee benefits. The Company's net obligation in respect of leave encashment is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains or losses are recognized in profit or loss in the period in which they arise.

13. Impairment of non-financial assets

As at each Balance Sheet, the company assesses whether there is an indication that an asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If an indication exists, or when annual impairment testing for an asset is required, if any, the company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

14. Dividends:

Dividends and interim dividends payable to a Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

15. Material prior period errors:

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

16. Earnings per share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

17. Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of Cash Flows'.

18. Impairment of Non-Financial Assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated.

An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount which is only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

19. Dividends

Dividends and interim dividends payable to a Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

20. Financial Instruments**20.1 Financial Assets****Initial Recognition and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial asset.

Subsequent measurement**Equity Investments**

All equity investments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments which are held for trading are classified as at FAIR VALUE THROUGH PROFIT AND LOSS. For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income or fair value through profit and loss. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity investments in subsidiaries and joint ventures are measured at cost, as cost represents the appropriate estimate of fair value in case of these investments.

Investment in Subsidiary

Investment in Subsidiary is stated at cost.

As on the date of transition, the company measures the investment in subsidiaries at previous GAAP carrying amount being deemed cost in accordance with para D15 of Ind AS 101- First Time adoption of Ind AS.

De-recognition of financial assets

A financial asset (or where applicable, a part of a financial asset or a part of a company of similar financial assets) is primarily derecognized (i.e. removed from the company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either
 - (a) The company has transferred substantially all the risks and rewards of the asset
 - (b) The company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

20.2 Financial Liabilities**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

Subsequent measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortised cost

After initial measurement, such financial liabilities are subsequently measured at amortized cost using the EIR method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the profit or loss. This category generally applies to trade payables and other contractual liabilities.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. The Company has not designated any financial liability as at fair value through profit and loss.

De-recognition of financial liability

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

21. Fair Value measurement

In determining the fair value of its financial instruments, the Entity uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

Refer to Note 47 (d) in for the disclosure on carrying value and fair value of financial assets and liabilities. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

D. Use of estimates and management judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

1. Useful life of property, plant & Equipment

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. The useful life of assets is determined in accordance with Schedule II of the Companies Act, 2013.

The company reviews at the end of each reporting date the useful life of Property, Plant and Equipment.

2. Provisions and Contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter.

3. Income Taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements

4. Defined Benefit Plan

The cost of defined benefit plan and the present value of such obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

5. Impairment of Financial assets

The impairment Provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

E. Recent Accounting Pronouncements

Ind AS 116 Leases: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17. The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors.

Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or

An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

The Company is currently evaluating the effect of this standard on the standalone financial statements.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition –

- i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight, and
- ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

Amendment to Ind AS 12 - Income taxes: On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.

Amendment to Ind AS 19 - plan amendment, curtailment or settlement : On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

C) Defined benefit obligation
I) Actuarial assumption

The following were the principal actuarial assumption at the reporting date.

Particulars	31 March, 2019	31 March, 2018
Discount rate*	7.65%	7.71%
Expected return on plan assets**		
Gratuity		
Salary escalation rate***	7.00%	7.00%
Valuation Methodology	Projected Unit Credit Method	Projected Unit Credit Method

* The discount rate assumed is 7.65% which is determined by reference to market yield at the balance sheet date on government bonds.

** The expected rate of return on plan assets is determine considering several applicable factor mainly the composition of plan assets held, assessed risk of assets management and historical return from plan assets.

*** The estimates of future salary increase considered in actuarial valuation, taking account of inflation, seniority promotion and other relevant factors, such as supply and demand in the employment market

II) Sensitivity analysis

Reasonable possible change at the reporting date to one of the relevant actuarial assumption, holding other assumption constant, would have effected the defined benefit obligation by the amount shown below.

(Rs. In Lakhs)

Particulars	31 March, 2019	
	Increase	Decrease
Discount rate (0.50% movement)	(3.62)	3.95
Salary escalation rate (0.50% movement)	3.69	(3.40)

III) Expected Maturity analysis of the defined benefits plan in future years

(Rs. In Lakhs)

31-Mar-19	First Year	Second year	Third to fifth year	More than 5 Years
Gratuity	21.27	1.10	16.19	55.05
Total	21.27	1.10	16.19	55.05

31-Mar-18	First Year	Second year	Third to fifth year	More than 5 Years
Gratuity	21.15	1.33	14.22	63.79
Total	21.15	1.33	14.22	63.79

IV) Risk exposure

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follows -

- A) Salary Increases- Actual salary increase will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- B) Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- C) Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.
- D) Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- E) Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

c) Fair Value on the grant date

Fair Value of the share is determined using the quoted market price of the share as on the grant date.

44 Disclosure as per Ind AS 108: Operating Segments is given in consolidated financial statements**45 Financial Risk Management**

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's as well as of its wholly owned subsidiary's operations. The Company has advances and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company also enters into derivative transactions. The most significant financial risks to which the Company is exposed to are described as follows:-

45.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial/paid instrument/foreign exchange will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as investment price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. This is based on the financial assets and financial liabilities held as at March 31, 2019 and March 31, 2018.

45.2 Credit risk

Credit risk is the risk that a counter party/client will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

45.3 Liquidity risk.

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

45.4 Physical risk.

Physical risk is the risk of theft or robbery or fakeness of cash and cash equivalents, leading to a financial loss. Fake currencies and loss by theft (if not recover from insurance) are provided in the P&L A/c. The company provides training to staff for recognizing the valid currency and has taken adequately insurance coverage for covering loss which may be incurred by company due to theft and robbery.

Risk Management framework

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company uses derivative financial instruments to hedge certain risk exposures. The Company does not acquire or issue derivative financial instruments for trading or speculative purposes. Risk management is carried out by the risk management team under policies approved by the board of directors and consultants. The risk management team identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, physical risk and investment of excess liquidity.

Financial Risk Management

1. Market risk

i. Interest Rate Risk:

Interest rate risk is the risk that the fair value of the future cash flows of the financial instrument will fluctuate because of changes in market interest rates. The company only have fixed interest rate financial instruments. The company is not exposed to interest rate risk as it does not have any floating rate instruments at the respective reporting periods.

Fair Value sensitivity analysis for fixed rate instruments

The company's fixed rate instruments are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

ii. Currency Risk

The Company operates in the business of money exchange including outward remittance and inward remittance and major portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its services various foreign currencies.

Foreign currency exchange rate exposure is partly balanced by services in the respective currencies.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

		Profit Before Tax	Other Equity		Profit Before Tax	Other Equity
Market rate increase	5.00%	3.15	2.60	5.00%	25.76	21.30
Market rate Decrease	5.00%	(3.15)	(2.60)	5.00%	(25.76)	(21.30)

2. Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 3 years past due and when management is of the opinion that all the possible efforts have been undertaken for recovery but the recovery is not possible. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are to be recognized in profit and loss.

The Company across all the divisions avoids business having risk of delayed payments, even at the cost of Top-line growth.

Company is having a system of online follow-up on daily basis to avoid the delay in payments.

Strict watch is being maintained on cheque bouncing instances and if there is any bouncing from the client more precautions are taken.

A Credit Policy is being made and placed on the system. Continues efforts are being made to avoid delay in payment. Client Money Receivable for Money changing business is being checked on daily basis by Compliance Officer, Manager Operations. Credit appraisal process and know your customer norms are being followed prior to giving credit.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and Industries and operate in largely Independent markets.

Investments

The Company limits its exposure to investments by investing in only counter parties after considering all the relevant factors. The management actively monitors the interest rate and maturity period of these investments. The Company does not expect the counter party to fail to meet its obligations, and has not experienced any significant impairment losses in respect of any of the investments.

Cash and cash equivalents

The Company held cash and cash equivalents of Rs. 558.78 Lakhs (31 March 2018: Rs. 1053.08 Lakhs). The cash and cash equivalents are held with banks with high rating.

(i) Exposure to Credit Risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

(Rs. In Lakhs)

Particulars	31-March-2019	31-March-2018
Financial assets for which loss allowance is measured using 12 months ECL		
Non-current investments	62.92	515.10
Non-current Loans	66.79	52.92
Other non-current Financial Assets	120.89	185.04
Cash and Cash Equivalents	558.78	1,053.08
Bank balances other than cash and cash equivalents	32.22	88.68
Current Loans	2,177.54	3,661.77
Other current Financial Assets	86.42	20.81
Financial assets for which loss allowance is measured using Life time ECL		
Trade Receivables	518.25	859.28
Total	3,623.81	6,436.68

(ii) Provision for expected credit losses
(a) Financial assets for which loss allowance is measured using 12 month expected credit loss

The Company has assets where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is very low. Accordingly, no loss allowance for impairment has been recognised.

(b) Financial assets for which loss allowance is measured using life time expected credit loss

Exposure to credit risk is to be shown in case where ECL or lifetime ECL is recognized .

The ageing of trade receivable is as below:

(Rs. In Lakhs)

Particulars	Neither due nor impaired	Past Due			Total
		Upto 6 months	6 to 12 months	Above 12 months	
Trade Receivables					
As at March 31, 2018

(Rs. In Lakhs)

Particulars	Trade Receivables	Other Balances
Balance as at April 1, 2017	-	-
Impairment loss recognised	159.02	132.14
Amounts written off	159.02	132.14
Balance as at March 31, 2018	-	-
Impairment loss recognised	63.36	-
Amounts written off	63.36	-
Balance as at March 31, 2019	-	-

Considering the non recoverability of Trade Receivables and balances of Other Parties, the company has written off such balances during the FY 2018-19 and FY 2017-18.

i. Financial instruments and cash deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the institutions with which the Company has also availed fund and non fund based financial facilities. The banks are also chosen as per the geographical and other business conveniences and needs.

The Company maintain significant cash and deposit balances such as foreign currency, which is required for its day to day operations.

3 Liquidity Risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The Company is required to maintain ratios (including total debt to EBITDA /net worth, EBITDA to gross interest, debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels. In the event of failure to meet any of these ratios these loans become callable at the option of lenders, except where exemption is provided by lender.

Financing Arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

(Rs. In Lakhs)

b) Fair Value hierarchy

(Rs. In Lakhs)

Financial assets and liabilities measured at Fair value	Level 1	Level 2	Level 3	Total
As at 31 March 2019				
Financial Assets				
Investments in quoted Equity instruments	10.27	-	-	10.27
Investments in Mutual Funds	-	-	-	-
Financial Liabilities	-	-	-	-
As at 31 March 2018				
Financial Assets				
Investments in quoted Equity instruments	27.53	-	-	27.53
Investments in Mutual Funds	487.57	-	-	487.57
Financial Liabilities	-	-	-	-

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes foreign exchange forward contracts and investments in unquoted equity instruments.

There has been no transfer in either direction in this year or the previous year.

c) Valuation technique used to determine fair value:

Specific Valuation techniques used to fair value the financial instruments include:

- For Financial instruments other than at (ii) , (iii) and (iv) - the use of quoted market prices.
- For investments in Mutual Funds- Closing NAV is used
- For Financial liabilities (public deposits, long term borrowings) Discounted Cash Flow; appropriate market borrowing rate of entity as on each balance sheet date used for discounting.
- For financial assets (loans) discounted cash flow; appropriate market borrowing rate of the entity as on each balance sheet date is used for discounting.

d) Fair value of financial assets and liabilities measured at amortized cost

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF TRANSCORP ESTATES PRIVATE LIMITED****Report on the Audit of the standalone Financial Statements****Opinion**

We have audited the accompanying standalone financial statements of Transcorp Estates Private Limited, which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (herein referred after as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the standalone state of affairs of the Company as at March 31, 2019, the standalone loss and total comprehensive income, standalone changes in equity and its standalone cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, as the company is a private limited company, provisions of section 197 of the Act are not applicable to the company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note no. 26 to the financial statements.
 - ii. The Company did not have material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. The Company had no amounts to be transferred to Investor Education and Protection Fund and consequently there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Transcorp Estates Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Transcorp Estates Private Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT (Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Transcorp Estates Private Limited of even date)

- i. In respect of the Company's fixed assets (Property, Plant and Equipments):
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets. However such records showing full particulars including quantitative details and situation of certain fixed assets are being updated.
 - (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner over a period of three years. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) In our opinion, this periodicity of physical verification, is reasonable having regard to the size of the Company and the nature of its assets
 - (d) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, of immovable properties are not held in the name of the Company excepting for Rs.3209334/- being the land at Udaipur, title deeds of which are in the name of the company.
- ii. a) Inventory being land has been physically verified during the year by the management and in our opinion the frequency of verification is reasonable.
 - b) According to the information and explanations given to us, no material discrepancies were noticed on physical verification of the above items referred in (a) above as compared to book records.
- iii. According to the information and explanations given to us, the Company has granted loans, secured or unsecured to body corporates listed in the register maintained under section 189 of the Companies Act, 2013 and
 - a) In our opinion, the rate of interest and other terms and conditions on which the loans have been granted to the bodies corporate listed in the register maintained under Section 189 of the Companies Act, 2013 were not prima facie prejudicial to the interests of the company.
 - b) Schedule of repayment of principal and payment of interest has not been stipulated as loans have been granted on current account basis. Repayments and receipts of interest are regular whenever demanded.
 - c) There were no overdue amounts in respect of loan granted to the bodies corporate listed in the register maintained under Section 189 of the Act.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act with respect to grant of loans, making investments, giving guarantees and providing securities, to the extent applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2019. As per the information & explanations given to us no order has been passed by Company Law Board, or National Company Law Tribunal or Reserve Bank of India or any Court or any other tribunal in this respect and hence question of its compliance does not arise.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, Company has generally been regular in depositing with appropriate authorities amount deducted/ accrued in the books of accounts in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues as are applicable to it.
 - (b) According to the information and explanations given to us, there were no material arrears of undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues as at March 31, 2019 for a period of more than six months from the date they became payable.
 - (c) According to the information and explanations given to us, there were no material dues of income tax, Sales tax/value added tax/ service tax/ goods and service tax, or Customs Duty which have not been deposited with the appropriate authorities as at March 31, 2019 on account of dispute excepting in below mentioned case
Income Tax penalty Rs. 1.97 lacs for assessment year 2011-12 disputed in Appeal with CIT Appeals, Jaipur
- viii. The Company has not defaulted in repayment of loans or borrowings from financial institutions, bank, government or dues to debentureholders during the year. Accordingly paragraph 3(ix) of the order is not applicable.
- ix. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. In our opinion term loans were applied for the purpose for which loans were obtained by the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- xi. As the company is a private limited company, hence provisions of Section 197 of the Act are not applicable in respect of the payment of managerial remuneration made by the company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.

- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. As per the information provided to us, during the year Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. In our opinion and based on the explanations given to us by the management the Company is not required to get itself registered under section 45-IA of the Reserve Bank of India Act, 1934.

**TRANSCORP ESTATES PRIVATE LIMITED
(A WHOLLY OWNED SUBSIDIARY OF TRANSCORP INTERNATIONAL LIMITED)**

Note No. 1 - Corporate Information and Significant Accounting Policies**A. Corporate Information**

Transcorp Estates Private Limited ("the company") is a private limited company domiciled in India (CIN: U45201RJ2010PTC032864), having its registered office at "Transcorp Towers", 5th floor, Moti Doongri Road, Jaipur-302004. Company is engaged in the business of renting of properties. It has also made some investments directly into Equity and Debts instruments as well as also by way of contributing to capital of partnership firm being an associate of the company. The company is a wholly owned subsidiary of Transcorp International Limited.

B. Basis of Preparation**1. Statement of Compliance**

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the said roadmap, Parent company, M/s Transcorp International limited, is required to apply Ind AS starting from financial year beginning on or after 1st April, 2017. As Transcorp Estates Private Limited is wholly owned subsidiary of Parent company, M/s Transcorp International Limited, hence it is also required to apply Ind AS from Financial Year beginning on or after 1st April, 2017. Accordingly, these financial statements of the Company have been prepared in accordance with the Ind AS.

These standalone financial statements are prepared on accrual basis of accounting and comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable) and applicable provisions of Companies Act, 1956.

2. Basis of measurement

The financial statements have been prepared on historical cost convention except for revalued costs in respect of certain financial assets and liabilities viz. Investments etc. which have been measured at fair value as required by IND AS.

3. Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All amounts have been rounded off to the nearest lakhs.

4. Current and Non Current Classification

The company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

Expected to be realized or intended to be sold or consumed in normal operating cycle,

Held primarily for the purpose of trading,

Expected to be realized within twelve months after the reporting period, or

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it is:

Expected to be settled in normal operating cycle,

Held primarily for the purpose of trading,

Due to be settled within twelve months after the reporting period, or

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. Deferred tax assets and liabilities are classified as Non-Current assets and liabilities.

C. Significant Accounting Policies

A summary of the accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

On transition to IND AS, the company has elected to utilize the option under Ind AS 101 by not applying the provisions of Ind AS 16 and Ind AS 40 retrospectively and continue to use the previous GAAP carrying amount as a deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying amount of property, plant and equipment and investment property as per the previous GAAP as at 1st April 2016, i.e., the Company's date of transition to Ind AS, were maintained on transition to Ind AS.

1. Property, Plant and EquipmentInitial recognition and measurement

An item of PPE is recognised as an asset if and only if it is probable that future economic benefits associated with them will flow to the company and the cost of item can be measured reliably.

An item of Property, Plant and Equipment is carried at cost less accumulated depreciation and any accumulated impairment losses. Cost includes any cost directly attributable to bringing the asset to the location and operating condition like installation and assembly cost. Any trade discounts and rebates are deducted in arriving at the cost. All cost related to acquisition and installation are capitalized.

Items of Property, Plant and Equipment having different useful lives are recognized separately.

Subsequent cost

Subsequent expenditure is added to the book value only if it increases the future economic benefits from the existing asset.

Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual life of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

De-recognition

An item of Property, plant and Equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains or losses on disposal/ transfer/ de-recognition of item of property, plant and Equipment are determined as difference between net sale proceeds and the carrying amount of Property, Plant and Equipment and is recognized in statement of profit and loss.

1. Investment Property

Initial Recognition

Investment property comprises portions of freehold land, leasehold land and office buildings that are held for long-term rental yields and/or for capital appreciation. Investment properties are initially recognized at cost and subsequently recognized at cost less accumulated depreciation and accumulated impairment losses.

Depreciation

The depreciation on building is calculated using the straight line method over the estimated useful life as specified in Schedule II to the Companies Act, 2013. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the statement of profit and loss when the changes arise.

De-recognition

Investment properties are derecognized when either they have been disposed off or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its use. The difference between the net sale proceeds and the carrying value of the investment property is recognized in the statement of profit and loss as gain or loss on sale of investment property.

2. Borrowing Costs

Borrowing costs specifically relating to the acquisition of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing cost consists of interest and other cost that the company incurs in connection with the borrowing funds.

All other borrowing costs are recognized in the Statement of Profit and Loss as expense in the period in which they are incurred.

3. Taxation

Income tax expense represents the sum of current tax and deferred tax (including MAT). Current tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in OCI or equity.

Current tax provision is made in accordance with the relevant tax regulations applicable to the company. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current income taxes are recognized under 'Income tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and

allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised.

Deferred tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

MAT paid in the year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as a deferred tax asset only when and to the extent, there is convincing evidence that the company will pay normal income tax during the specified period i.e. the period for which MAT credit is allowed to be carried forward. The company reviews the MAT credit entitlement at each balance sheet date and writes down the carrying value of MAT credit entitlement to the extent that there is no longer convincing evidence to the effect that company will pay normal tax during the specified period.

4. Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in IND AS 7 "Statement of Cash Flows".

5. Earnings per Share

Basic earning per share is calculated by dividing net profit or loss for the period attributable to the equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for the events such as bonus issue, bonus element in a right issue, share split and reverse share split that have changed the number of equity shares outstanding, without a corresponding change in resources.

6. Provisions and Contingencies

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to the financial statements. Contingent liabilities are disclosed on the basis of judgment of management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are possible assets that arise from past events and whose existence will be continued only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgement of management. These are assessed continually to ensure that developments are appropriately reflected in financial statements.

7. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, demand deposits with banks and short-term deposits with an original maturity of three months or less, that are readily convertible into known amount of cash and are subject to an insignificant risk of changes in value.

8. Inventory

Inventories are valued at the lower of cost and net realizable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

10. Financial Instruments**a) Financial Assets**

Company's financial assets include investments, fixed deposits being not part of cash equivalents, inventories, trade receivables, security deposits, advances, cash and cash equivalents and short term loans and advances.

Initial Recognition and measurement

All financial assets are recognized initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, at fair value plus transaction costs that are attributable to the acquisition or issue of the financial asset.

Subsequent measurement

i. Financial Instruments at Amortised Cost

The Financial Instrument is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. Equity Investments

All equity investments in scope of IND AS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at FAIR VALUE THROUGH PROFIT AND LOSS (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

The company has decided to measure its investment in Equity Instruments at FVTOCI.

iii. Mutual Funds

All Mutual funds in scope of IND AS 109 are measured at Fair Value through Profit and Loss.

De-recognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) The Company has transferred substantially all the risks and rewards of the asset, or
 - (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on following financial assets:

Trade Receivables:

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. However company's trade receivables are of short term nature, hence no expected credit loss is provided.

Other financial assets:

For recognition of impairment loss on other financial assets and risk exposure, the company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

The estimated impairment losses are recognized as a separate provision for impairment and the impairment losses are recognized in the Statement of Profit and Loss under the head other expenses.

b) Financial Liability

The company's financial liabilities mainly include borrowings including deposits, trade payable and other payables.

Initial Measurement

All financial liabilities other than fair value through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liabilities that are carried at fair value through profit and loss is expensed in statement of Profit and Loss.

Subsequent Measurement

These liabilities include borrowings and deposits. Subsequent to initial recognition, these liabilities are measured at amortised cost using effective interest method. Amortised cost is calculated by taking in to account any discount or premium on acquisition and fees or costs that are integral part of EIR. The EIR amortisation is included as finance cost in the statement of profit and loss. This category generally applies to borrowings.

Since there are only short term borrowings repayable on demand with no or immaterial transaction cost, EIR has not been calculated.

De-recognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

11. Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated.

An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount which is only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

12. Fair Value measurement

In determining the fair value of its financial instruments, the Entity uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. These methods used to determine fair value includes discounted cash flow analysis, available quoted market prices, dealer quotes and other appropriate methods. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

13. Revenue

Company's revenue is arising from renting of properties. Revenue from sale of services is recognized on rendering of services. Company collects service tax/GST on behalf of the government and therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue. Revenue from other income comprises interest on bank deposits and loans and advances, dividend from investments, Profit on transfer of fixed assets, unrealized gains on fair value conversion of investments other than equity instruments and share of profit or loss from investment in partnership firm.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend Income

Dividend on investment is accounted for as and when the right to receive the same is established.

14. Dividends

Dividends and interim dividends payable to the Company's shareholders are recognized as changes in equity in the period in which they are approved in the shareholders' meeting and the Board of Directors respectively. Company has not declared or proposed any dividend payable to shareholders.

15. Employee Benefits

- a) **Short term Employee Benefits-** Short term employee benefits like salaries, non-vesting compensated absences and various incentives that fall due within twelve month from the end of the year in which the employee provide the services are recognized as expenses in year of incurring the expenditure as employee provides the services to the entity by reference to which the benefits are payable.

These are recognized as an expense in the statement of profit and loss for the year in which the related services are rendered.

- b) **Long Term Benefit Plans-** Provident fund and Gratuity liability will be accounted for on applicability of the statute.

16. Use of Estimates and Management judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

a) **Useful life of Property, Plant and Equipment**

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Useful life of assets is determined in accordance with Schedule II of the Companies Act, 2013. The Company reviews at the end of each reporting date the useful life of property, plant and equipment.

b) **Recoverable amount of Property, Plant and Equipment**

The recoverable amount of Property, plant and equipment is based on estimates and assumptions regarding in particular the expected market outlook and future cash flows associated with the property, plant and equipment. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

c) **Impairment of Financial assets**

The impairment Provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

d) **Provisions and Contingencies**

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with IND AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events require best judgment by management regarding the probability of exposure to potential loss. If circumstances change following unforeseeable developments, then this likelihood could alter.

e) **Income Taxes**

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in financial statements.

f) **Fair value Measurement of Financial Instruments**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arms length transaction at the reporting date.

TRANSCORP ESTATES PRIVATE LIMITED
NOTES TO FINANCIAL STATEMENTS AS AT 31ST MARCH,,2019

Note No. 26 Other Explanatory Information

- I Company is engaged in business in India only, which in the context of Ind AS 108 "Operating Segments" is considered the only geographical segment.
- II Legal and professional charges includes Rs. 0.68 lacs (Previous year-0.06 lacs) paid to auditors for other attestation services.
- III In view of availability of unabsorbed loss/ depreciation as per Income Tax Act, deferred tax liability is deemed to be adjusted from deferred tax asset and as such is not provided. Deferred tax asset over and above deferred tax liability has not been provided considering prudence. Deferred tax liability has been provided in respect of unrealised gains/losses consequent upon conversion of value of financial instruments through FVOCI and FVTPL.
- IV **Disclosure as per Ind AS 23: Borrowing Costs**

ii) Direct Operating Expenses arising from investment property that did not generated rental income are Rs.4.66 lacs (Previous Year - Rs.14.03 lacs)

X Disclosure as per Ind AS 108:

Operating Segments is given in consolidated financial statements.

XI Financial Risk Management

The Company's principal financial liabilities, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The most significant financial risks to which the Company is exposed to are described as follows:-

a) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as investment price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and other financial assets. This is based on the financial assets and financial liabilities held as at March 31, 2019 and March 31, 2018.

b) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

c) Liquidity risk.

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations/commitments without incurring unacceptable losses.

d) Physical risk

It is the risk of theft, robbery or fakeness of cash and cash equivalents leading to financial loss.

Risk Management framework

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company whenever considers necessary and proper, uses derivative financial instruments to hedge certain risk exposures. The Company does not acquire or issue derivative financial instruments for trading or speculative purposes. However during the year no use of derivative financial instruments was done

Risk management is carried out by the Board of Directors under policies approved by identifying, evaluating and hedging financial risks. The board provides principles for overall risk management, as well as policies covering specific areas, such as interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

Financial Risk Management**A) Market risk****Interest Rate Risk:**

Interest rate risk is the risk that the fair value of the future cash flows of the financial instrument will fluctuate because of changes in market interest rates. In order to manage the interest rate risk, Board of Directors perform a comprehensive corporate interest rate risk management by balancing the proportion of fixed interest rate and floating rate financial instruments in its total portfolio.

Since the company only has fixed interest rate instruments, it is not exposed to significant interest rate risk as at the respective reporting periods.

(Rs. in Lakhs)

Financial Assets		
Loan to Related Parties	102.06	437.41
Loan to others	0.00	0.02
Preference Shares redeemable at premium	233.93	213.01
Bank Deposits(including interest accrued)	20.47	19.19
Total	356.46	456.62
Financial Liabilities		
Loans from related parties	1412.79	2260.94
Loans from others	227.64	0.00
Total	1640.43	2260.94

Fair Value Sensitivity Analysis for Fixed Rate Instruments

Company's fixed rate instruments are generally of short term nature. Also, other instruments are carried at amortised cost. They are therefore not subject to any material interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Investment Price Risk

The entity's listed and known listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities.

a) Exposure to Investment Price Risk

(Rs. in Lakhs)

Particulars	31-Mar-19	31-Mar-18
Investment in Equity Instruments	395.45	293.07
Investment in Preference Shares	233.93	213.01
Investment in Capital in Partnership Firm	601.14	471.60
Investment in Mutual Funds	527.90	996.71
Convertible Promissory Note	30.00	30.00
	1788.42	2004.39

b) Sensitivity Analysis

(Rs. in Lakhs)

Particulars	31-Mar-19			31-Mar-18		
	Sensitivity Analysis	Impact on		Sensitivity Analysis	Impact on	
		Profit before Tax	Other Equity		Profit before Tax	Other Equity
Market Rate Increase	5%	89.42	72.22	5%	100.22	81.12
Market Rate Decrease	5%	-89.42	-72.22	5%	-100.22	-81.12

B) Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 3 years past due and when management is of the opinion that all the possible efforts have been undertaken for recovery but the recovery is not possible. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are to be recognized in profit and loss.

Continuous efforts are made to ensure timely payment from the customers.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored.

The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

The ageing of trade receivable is as below:

(Rs. in Lakhs)

Particulars	Neither due nor impaired	Past Due			Total
		Upto 6 months	6 to 12 months	Above 12 months	
Trade Receivables					
As at March 31, 2018					
Unsecured		7.15	0.13	-	7.28
As at March 31, 2019					
Unsecured		4.19	-	-	4.19

In the opinion of management, all current assets have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet. Looking to the very low risk of default, recognising impairment loss or Expected Credit Loss was not considered necessary.

Financial instruments and cash deposits

The cash and cash equivalents as well as deposits with bank are held with banks of high rating. The banks are also chosen as per the geographical and other business conveniences and needs.

C.) Liquidity Risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The company does not anticipate any problem in obtaining external funding in the foreseeable future when the need arises.

The table below provides undiscounted cash flows towards non-derivative financial liabilities:

(Rs. in Lakhs)

Particulars	As at 31-3-2018				Total/Carrying Amount
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	2,260.94	-	-	-	2,260.94
Other liabilities	11.33	-	-	-	11.33
Trade /other payables	12.83	-	-	-	12.83
Total					2,273.77

(Rs. in Lakhs)

Particulars	As at 31-3-2019				Total
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	1,412.79	227.64	-	-	1,640.43
Other liabilities		20.21	-	-	20.21
Trade / other payables		9.62	3.25	1.00	13.87
Total					1,654.30

D.) Physical Risk

Management keeps the cash and cash equivalents at very minimum level to take care of risk of theft/robbery.

As regards fake currency, employees are trained to recognise valid currency.

b) Fair Value hierarchy

(Rs. in Lakhs)

Financial assets and liabilities measured at Fair value	Level 1	Level 2	Level 3	Total
As at 31 March 2018				
Financial Assets				
Investments in quoted Equity instruments	222.31	-	-	222.31
Investments in unquoted Equity instruments	-	-	70.76	70.76
Investments in Partnership Firm	-	-	471.60	471.60
Investments in Mutual Funds	996.71	-	-	996.71
Investment in Convertible Promissory Note	-	-	30.00	30.00
Financial Liabilities	-	-	-	-
As at 31 March 2019				
Financial Assets				
Investments in quoted Equity instruments	218.40	-	-	218.40
Investments in unquoted Equity instruments	-	-	177.05	177.05
Investments in Partnership Firm	-	-	601.14	601.14
Investment in Mutual Funds AIF's	527.90			527.90
Convertible Promissory Note			30.00	30.00
Financial Liabilities	-	-	-	-

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value Measurement as a whole:

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes investments in unquoted equity instruments and investments in partnership firm.

c) Valuation technique used to determine fair value:

Specific Valuation techniques used to fair value the financial instruments include:

(i) For Financial instruments other than at (ii) and (iii) - the use of quoted market prices.

(ii) For Financial liabilities (public deposits, long term borrowings) Discounted Cash Flow; appropriate market borrowing rate of entity as on each balance sheet date used for discounting. Company does not have public deposits and long term borrowings.

(iii) For financial assets (loans) discounted cash flow; appropriate market borrowing rate of the entity as on each balance sheet date is used for discounting.

d) Fair value of financial assets and liabilities measured at amortized cost

(Rs. in Lakhs)

Particulars	Level	31-03-19		31-03-18	
		Carrying amount	Fair value	Carrying amount	Fair value

XIII Capital Risk Management

For the purposes of the Company's capital management, capital includes issued capital, share premium and all other equity reserves. Net debt includes interest bearing borrowings less cash and short term deposits. The primary objective of the Company's Capital Management is to maximize shareholder value.

(Rs. in Lakhs)

Particulars	As at 31-3-19	As at 31-3-18
Total debt	1,640.43	2,260.94
Less: cash and cash equivalents	-51.01	35.38
Net Debt	1,691.44	2,225.56
Equity	2,832.86	2,886.80
Net debt to equity ratio	0.60	0.77

XIV Company is not having any information about Micro and Small enterprises registered under MSMED Act, 2006 and also has not received any claim for interest from any supplier. Accordingly amount of principal and interest due/paid to Micro and Small enterprises under MSMED Act, 2006 is nil and all outstanding dues under current/non-current liabilities are the outstanding dues of enterprises other than Micro and Small enterprises.

XV INDAS 115 -Company's revenue is arising from renting of properties. Revenue from sale of services is recognised on rendering of services. Company collects service tax/GST on behalf of Government and therefore, it is not an economic benefit flowing to the Company. Hence it is excluded from revenue. Revenue from other income comprises interest on bank deposits and loans and advances, dividend from investment, unrealised gains on fair value conversion of investment other than equity instruments, share of profit or loss from investment in partnership firm, and realised gains on redemption of mutual funds. In respect of renting of properties, security deposit is taken by the company from tenants and is shown as other financial liabilities. Disaggregation of revenue is duly depicted in note 19 and 20 and amount receivable is appearing in sundry debtors.

XVI Previous Year's figures have been regrouped, rearranged or recasted wherever considered necessary.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TRANSCORP ESTATES PRIVATE LIMITED**Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying consolidated financial statements of TRANSCORP ESTATES PRIVATE LIMITED ("the Company") and its associate (the Company and its associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The Board of Directors of the company and partners of the associate included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the consolidated financial statements, the Board of Directors of the company and partners of the associate included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The Board of Directors of the company and partners of associate included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its associate, has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We communicate with those charged with governance, regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors of the Company, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, as the company is a private limited company, provisions of section 197 of the Act are not applicable to the company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the Group. Refer note no. 26 to the financial statements.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. The Company had no amounts to be transferred to Investor Education and Protection Fund and consequently there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company. Associate being partnership firm requirement is not applicable

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Transcorp Estates Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of Transcorp Estates Private Limited (hereinafter referred to as “Company”) and its associate, which is a partnership firm registered in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its associate, which is a partnership firm incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its associate which is a partnership firm registered in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its associate, which is a partnership firm registered in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its associate which is a partnership firm registered in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TRANSCORP ESTATES PRIVATE LIMITED
(A WHOLLY OWNED SUBSIDIARY OF TRANSCORP INTERNATIONAL LIMITED)

Note No. 1 - Corporate Information and Significant Accounting Policies

A. Corporate Information

Transcorp Estates Private Limited ("the company") is a private limited company domiciled in India (CIN: U45201RJ2010PTC032864), having its registered office at "Transcorp Towers", 5th floor, Moti Doongri Road, Jaipur-302004. The company is a wholly owned subsidiary of Transcorp International Limited. These consolidated financial statements comprise the financial statements of the company and its associate M/s Utkarsh, a partnership firm. Group is engaged in the business of renting of properties and has also made investments directly into Equity and Debts instruments of listed and unlisted companies and mutual funds.

B. Basis of Preparation

1. Statement of Compliance

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the said roadmap, Parent company, M/s Transcorp International limited, is required to apply Ind AS starting from financial year beginning on or after 1st April, 2017. As Transcorp Estates Private Limited is wholly owned subsidiary of Parent company, M/s Transcorp International Limited, hence it is also required to apply Ind AS from Financial Year beginning on or after 1st April, 2017. Accordingly, these financial statements of the Company have been prepared in accordance with the Ind AS.

These consolidated financial statements are prepared on accrual basis of accounting and comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable) and applicable provisions of Companies Act, 1956.

2. Basis of measurement

The financial statements have been prepared on historical cost convention except for revalued costs in respect of certain financial assets and liabilities viz. Investments etc. which have been measured at fair value as required by IND AS.

3. Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All amounts have been rounded off to the nearest lakhs.

4. Current and Non Current Classification

The assets and liabilities in the balance sheet are presented based on current/non-current classification.

An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
 - Held primarily for the purpose of trading,
 - Expected to be realized within twelve months after the reporting period, or
 - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle,
 - Held primarily for the purpose of trading,
 - Due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- All other liabilities are classified as non-current.

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. Deferred tax assets and liabilities are classified as Non-Current assets and liabilities.

C. Significant Accounting Policies

Basis of Consolidation

Company has invested capital in partnership firm M/s Utkarsh in which it holds substantial influence by virtue of its share in profit being 46.2998% for the accounting year ended 31.3.2019. Following INDAS 28, this investment in capital of M/s Utkarsh has been accounted for using equity method. Share in the profit or loss of associate has been separately shown in statement of profit and loss and share in net assets of the associate has been shown separately in Schedule of Investment as non current investments with excess of the entity's share of the net fair value of the investee's assets and liabilities i.e. book value as per the balance sheet of associate, over the cost of investment, is recognized directly in equity as capital reserve.

Others

A summary of the accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

On transition to IND AS, the company has elected to utilize the option under Ind AS 101 by not applying the provisions of Ind AS 16 and Ind AS 40 retrospectively and continue to use the previous GAAP carrying amount as a deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying amount of property, plant and equipment and investment

property as per the previous GAAP as at 1st April 2016, i.e.; the Company's date of transition to Ind AS, were maintained on transition to Ind AS.

1. Property, Plant and Equipment

Initial recognition and measurement

An item of PPE is recognised as an asset if and only if it is probable that future economic benefits associated with them will flow to the company and the cost of item can be measured reliably.

An item of Property, Plant and Equipment is carried at cost less accumulated depreciation and any accumulated impairment losses. Cost includes any cost directly attributable to bringing the asset to the location and operating condition like installation and assembly cost. Any trade discounts and rebates are deducted in arriving at the cost. All cost related to acquisition and installation are capitalized.

Items of Property, Plant and Equipment having different useful lives are recognized separately.

Subsequent cost

Subsequent expenditure is added to the book value only if it increases the future economic benefits from the existing asset.

Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual life of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

De-recognition

An item of Property, plant and Equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains or losses on disposal/ transfer/ de-recognition of item of property, plant and Equipment are determined as difference between net sale proceeds and the carrying amount of Property, Plant and Equipment and is recognized in statement of profit and loss.

2. Investment Property

Initial Recognition

Investment property comprises portions of freehold land, leasehold land and office buildings that are held for long-term rental yields and/or for capital appreciation. Investment properties are initially recognized at cost and subsequently recognized at cost less accumulated depreciation and accumulated impairment losses.

Depreciation

The depreciation on building is calculated using the straight line method over the estimated useful life as specified in Schedule II to the Companies Act, 2013. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the statement of profit and loss when the changes arise.

De-recognition

Investment properties are derecognized when either they have been disposed off or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its use. The difference between the net sale proceeds and the carrying value of the investment property is recognized in the statement of profit and loss as gain or loss on sale of investment property.

3. Borrowing Costs

Borrowing costs specifically relating to the acquisition of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporary deployment of funds) as part of the cost of such assets. Borrowing cost consists of interest and other cost incurred in connection with the borrowing funds. All other borrowing costs are recognized in the Statement of Profit and Loss as expense in the period in which they are incurred.

4. Taxation

Income tax expense represents the sum of current tax and deferred tax (including MAT). Current tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in OCI or equity.

Current tax provision is made in accordance with the relevant tax regulations applicable to the company. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current income taxes are recognized under 'Income tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised.

Deferred tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

MAT paid in the year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as a deferred tax asset only when and to the extent, there is convincing evidence that the company will pay normal income tax during the specified period i.e. the period for which MAT credit is allowed to be carried forward. The company reviews the MAT credit entitlement at each balance sheet date and writes down the carrying value of MAT credit entitlement to the extent that there is no longer convincing evidence to the effect that company will pay normal tax during the specified period.

5. Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in IND AS 7 "Statement of Cash Flows".

6. Earnings per Share

Basic earning per share is calculated by dividing net profit or loss for the period attributable to the equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for the events such as bonus issue, bonus element in a right issue, share split and reverse share split that have changed the number of equity shares outstanding, without a corresponding change in resources.

7. Provisions and Contingencies

A provision is recognized if, as a result of a past event, there is a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to the financial statements. Contingent liabilities are disclosed on the basis of judgment of management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are possible assets that arise from past events and whose existence will be continued only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgement of management. These are assessed continually to ensure that developments are appropriately reflected in financial statements.

8. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, demand deposits with banks and short-term deposits with an original maturity of three months or less, that are readily convertible into known amount of cash and are subject to an insignificant risk of changes in value.

9. Inventory

Inventories are valued at the lower of cost and net realizable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

10. Financial Instruments

a) Financial Assets

Financial assets include investments, fixed deposits being not part of cash equivalents, inventories, trade receivables, security deposits, advances, cash and cash equivalents and short term loans and advances.

Initial Recognition and measurement

All financial assets are recognized initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, at fair value plus transaction costs that are attributable to the acquisition or issue of the financial asset.

Subsequent measurement

i. Financial Instruments at Amortised Cost

The Financial Instrument is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. Equity Investments

All equity investments in scope of IND AS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at FAIR VALUE THROUGH PROFIT AND LOSS (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. Associate being partnership has accounted for same at cost.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

The company has decided to measure its investment in Equity Instruments at FVTOCI.

iii. Mutual Funds

All Mutual funds in scope of IND AS 109 are measured at Fair Value through Profit and Loss.

De-recognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The rights has been to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) substantially all the risks and rewards of the asset has been transferred, or
 - (b) substantially all the risks and rewards of the asset has neither been transferred nor retained, but transferred control of the asset.

Impairment of Financial Assets

In accordance with Ind AS 109, expected credit loss (ECL) model for measurement and recognition of impairment loss has been applied on following financial assets:

Trade Receivables:

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. However trade receivables are of short term nature, hence no expected credit loss is provided.

Other financial assets:

For recognition of impairment loss on other financial assets and risk exposure, determination is made whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

The estimated impairment losses are recognized as a separate provision for impairment and the impairment losses are recognized in the Statement of Profit and Loss under the head other expenses.

b) Financial Liability

The financial liabilities mainly include borrowings including deposits, trade payable and other payables.

Initial Measurement

All financial liabilities other than fair value through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liabilities that are carried at fair value through profit and loss is expensed in statement of Profit and Loss.

Subsequent Measurement

These liabilities include borrowings and deposits. Subsequent to initial recognition, these liabilities are measured at amortised cost using effective interest method. Amortised cost is calculated by taking in to account any discount or premium on acquisition and fees or costs that are integral part of EIR. The EIR amortisation is included as finance cost in the statement of profit and loss. This category generally applies to borrowings.

Since there are only short term borrowings repayable on demand with no or immaterial transaction cost, EIR has not been calculated.

De-recognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

11. Impairment of non-financial assets

The carrying amounts of the non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated.

An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount which is only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

12. Fair Value measurement

In determining the fair value of its financial instruments, a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date are used. These methods used to determine fair value includes discounted cash flow analysis, available quoted market prices, dealer quotes and other appropriate methods. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

13. Revenue

Revenue is arising from renting of properties. Revenue from sale of services is recognized on rendering of services. service tax/GST is collected on behalf of the government and therefore, it is excluded from revenue. Revenue from other income comprises interest on bank deposits and loans and advances, dividend from investments, Profit on transfer of fixed assets, unrealized gains on fair value conversion of investments other than equity instruments and share of profit or loss from investment in associate partnership firm using equity method.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend Income

Dividend on investment is accounted for as and when the right to receive the same is established.

14. Dividends

Dividends and interim dividends payable to the shareholders are recognized as changes in equity in the period in which they are approved in the shareholders' meeting and the Board of Directors respectively. No dividend has been declared or proposed.

15. Employee Benefits

- a) Short term Employee Benefits- Short term employee benefits like salaries, non-vesting compensated absences and various incentives that fall due within twelve month from the end of the year in which the employee provide the services are recognized as expenses in year of incurring the expenditure as employee provides the services to the entity by reference to which the benefits are payable.

These are recognized as an expense in the statement of profit and loss for the year in which the related services are rendered.

- b) Long Term Benefit Plans- Provident fund and Gratuity liability will be accounted for on applicability of the statute.

16. Use of Estimates and Management judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

- a) **Useful life of Property, Plant and Equipment**

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Useful life of assets is determined in accordance with Schedule II of the Companies Act, 2013 and is reviewed at the end of each reporting date the useful life of property, plant and equipment.

- b) **Recoverable amount of Property, Plant and Equipment**

The recoverable amount of Property, plant and equipment is based on estimates and assumptions regarding in particular the expected market outlook and future cash flows associated with the property, plant and equipment. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

- c) **Impairment of Financial assets**

The impairment Provisions for financial assets are based on assumptions about risk of default and expected loss rates. Judgement is used in making these assumptions and selecting the inputs to the impairment calculation, based on past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

- d) **Provisions and Contingencies**

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with IND AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events

require best judgment by management regarding the probability of exposure to potential loss. If circumstances change following unforeseeable developments, then this likelihood could alter.

e) **Income Taxes**

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. At each balance sheet date the carrying amount of deferred tax assets/liabilities is reviewed. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in financial statements.

f) **Fair value Measurement of Financial Instruments**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arms length transaction at the reporting date.

i) Direct Operating Expenses arising from investment property that generated rental income are Rs. 4.56 lakhs (Previous year Rs. 11.51 lacs)

ii) Direct Operating Expenses arising from investment property that did not generated rental income are Rs.4.66 lacs(Previous Year - Rs.14.03 lacs)

X **Disclosure as per Ind AS 108:**

Operating Segments is given in consolidated financial statements.

XI **Financial Risk Management**

The Company's principal financial liabilities, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The most significant financial risks to which the Company is exposed to are described as follows:-

a) **Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as investment price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and other financial assets. This is based on the financial assets and financial liabilities held as at March 31, 2019 and March 31, 2018.

b) **Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

c) **Liquidity risk.**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations/commitments without incurring unacceptable losses.

d) Physical risk

It is the risk of theft, robbery or fakeness of cash and cash equivalents leading to financial loss.

Risk Management framework

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company whenever considers necessary and proper, uses derivative financial instruments to hedge certain risk exposures. The Company does not acquire or issue derivative financial instruments for trading or speculative purposes. However during the year no use of derivative financial instruments was done

Risk management is carried out by the Board of Directors under policies approved by identifying, evaluating and hedging financial risks. The board provides principles for overall risk management, as well as policies covering specific areas, such as interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

Financial Risk Management
A) Market risk
Interest Rate Risk:

Interest rate risk is the risk that the fair value of the future cash flows of the financial instrument will fluctuate because of changes in market interest rates. In order to manage the interest rate risk, Board of Directors perform a comprehensive corporate interest rate risk management by balancing the proportion of fixed interest rate and floating rate financial instruments in its total portfolio. Since the company only has fixed interest rate instruments, it is not exposed to significant interest rate risk as at the respective reporting periods.

Particulars	31-Mar-19	31-Mar-18
Financial Assets		
Loan to Related Parties	102.06	437.41
Loan to others	0.00	0.02
Preference Shares redeemable at premium	233.93	213.01
Bank Deposits(including interest accrued)	20.47	19.19
Total	356.46	456.62
Financial Liabilities		
Loans from related parties	1412.79	2260.94
Loans from others	227.64	0.00
Total	1640.43	2260.94

Fair Value Sensitivity Analysis for Fixed Rate Instruments

Company's fixed rate instruments are generally of short term nature. Also, other instruments are carried at amortised cost. They are therefore not subject to any material interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Investment Price Risk

The entity's listed and known listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities.

a) Exposure to Investment Price Risk

Particulars	31-Mar-19	31-Mar-18
Investment in Equity Instruments	395.45	293.07
Investment in Preference Shares	233.93	213.01
Investment in Capital in Partnership Firm	0.00	471.60
Investment in Mutual Funds	527.90	996.71
Convertible Promissory Note	30.00	30.00
	1187.28	2004.39

b) Sensitivity Analysis

Particulars	31-Mar-19			31-Mar-18		
	Sensitivity Analysis	Impact on		Sensitivity Analysis	Impact on	
		Profit before Tax	Other Equity		Profit before Tax	Other Equity
Market Rate Increase	5%	59.36	47.94	5%	100.22	81.12
Market Rate Decrease	5%	-59.36	-47.94	5%	-100.22	-81.12

B) Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 3 years past due and when management is of the opinion that all the possible efforts have been undertaken for recovery but the recovery is not possible. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are to be recognized in profit and loss. Continuous efforts are made to ensure timely payment from the customers.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored.

The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

The ageing of trade receivable is as below:

Particulars	Neither due nor impaired	Past Due			Total
		Upto 6 months	6 to 12 months	Above 12 months	
Trade Receivables					
As at March 31, 2018					
Unsecured		7.15	0.13	-	7.28
As at March 31, 2019					
Unsecured		4.19	-	-	4.19

In the opinion of management, all current assets have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet. Looking to the very low risk of default, recognising impairment loss or Expected Credit Loss was not considered necessary.

Financial instruments and cash deposits

The cash and cash equivalents as well as deposits with bank are held with banks of high rating. The banks are also chosen as per the geographical and other business conveniences and needs.

C.) Liquidity Risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The company does not anticipate any problem in obtaining external funding in the foreseeable future when the need arises.

The table below provides undiscounted cash flows towards non-derivative financial liabilities:

Particulars	As at 31-3-2018				Total/Carrying Amount
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	2,260.94	-	-	-	2,260.94
Other liabilities	11.33	-	-	-	11.33
Trade /other payables	12.83	-	-	-	12.83
Total					2,273.77

Particulars	As at 31-3-2019				Total
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	1,412.79	227.64	-	-	1,640.43
Other liabilities		20.21	-	-	20.21
Trade / other payables		9.62	3.25	1.00	13.87
Total					1,654.30

D) Physical Risk

Management keeps the cash and cash equivalents at very minimum level to take care of risk of theft/robbery.

As regards fake currency, employees are trained to recognise valid currency.

As at 31 March 2019				
Financial Assets				
Investments in quoted Equity instruments	218.40	-	-	218.40
Investments in unquoted Equity instruments	-	-	177.05	177.05
Investment in Mutual Funds AIF's	527.90	-	-	527.90
Convertible Promissory Note	-	-	30.00	30.00
				-
Financial Liabilities	-	-	-	-

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value Measurement as a whole:

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices. This Includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes investments in unquoted equity instruments and investments in partnership firm.

c) Valuation technique used to determine fair value:

Specific Valuation techniques used to fair value the financial instruments include:

- (i) For Financial instruments other than at (ii) and (iii) - the use of quoted market prices.
- (ii) For Financial liabilities (public deposits, long term borrowings) Discounted Cash Flow; appropriate market borrowing rate of entity as on each balance sheet date used for discounting. Company does not have public deposits and long term borrowings.
- (iii) For financial assets (loans) discounted cash flow; appropriate market borrowing rate of the entity as on each balance sheet date is used for discounting.

d) Fair value of financial assets and liabilities measured at amortized cost

Particulars	Level	31-03-19		31-03-18	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial Assets					
Loans	3	102.06	102.06	437.43	437.43
Trade Receivables	3	4.19	4.19	7.28	7.28
Total		106.25	106.25	444.71	444.71
Financial Liabilities					
Loans- Borrowing from banks	3	-	-	-	-
Other Borrowings	3	1,640.43	1,640.43	2,260.94	2,260.94
Other Financial Liabilities	3	13.87	13.87	12.83	12.83
Total		1,654.30	1,654.30	2,273.77	2,273.77

XIII Capital Risk Management

For the purposes of the Company's capital management, capital includes issued capital, share premium and all other equity reserves. Net debt includes interest bearing borrowings less cash and short term deposits. The primary objective of the Company's Capital Management is to maximize shareholder value.

Particulars	As at 31-3-19	As at 31-3-18
Total debt	1,640.43	2,260.94
Less: cash and cash equivalents	-51.01	35.38
Net Debt	1,691.44	2,225.56
Equity	2,832.86	2,886.80
Net debt to equity ratio	0.60	0.77

- XIV Company is not having any information about Micro and Small enterprises registered under MSMED Act,2006 and also has not received any claim for interest from any supplier. Accordingly amount of principal and interest due/paid to Micro and Small enterprises under MSMED Act,2006 is nil and all outstanding dues under current/non- current liabilities are the outstanding dues of enterprises other than Micro and Small enterprises.
- XV INDAS 115 -Company's revenue is arising from renting of properties. Revenue from sale of services is recognised on rendering of services. Company collects service tax/GST on behalf of Government and therefore,it is not an economic benefit flowing to the Company. Hence it is excluded from revenue. Revenue from other income comprises interest on bank deposits and loans and advances, dividend from investment, unrealised gains on fair value conversion of investment other than equity instruments, share of profit or loss from investment in partnership firm, and realised gains on redemption of mutual funds. Disaggregation of revenue is duly depicted in note19 and 20 and amount receivable is appearing in sundry debtors.
- XVI Ind As 112 : Disclosure of interest in other entities: Associate is a partnership firm named M/s Utkarsh. It's principal place of business is in Jaipur within the State of Rajasthan in India. Share in profit/loss of partnership is 46.2998% Investment in the firm has been measured using Equity method. Associate's nature of business is making investments . Following is the summarised position of Total asset and liabilities of the Associate : Non Current assets being investments Rs.1464.96 lacs, Current assets being cash and bank balances Rs.2.40lacs, and current liabilities being expenses payable Rs.0.31lacs, Total Capital after adjusting Profit/loss of the current year Rs.1467.05lacs. Revenue was NIL and Loss from operations was RS.60880/- .
- XVII Previous Year's figures have been regrouped, rearranged or recasted wherever considered necessary.

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF RITCO TRAVELS AND TOURS PRIVATE LIMITED****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of Ritco Travels and Tours Private Limited, which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, as the company is a private limited company, provisions of section 197 of the Act are not applicable to the company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note no. 29 to the financial statements.
 - ii. The Company did not have material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. The Company had no amounts to be transferred to Investor Education and Protection Fund and consequently there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Ritco Travels and Tours Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ritco Travels and Tours Private Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However Internal Financial Controls Over Financial Reporting needs further improvement.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT (Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ritco Travels and Tours Private Limited of even date)

- i. In respect of the Company's fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets. However such records showing full particulars including quantitative details and situation of certain fixed assets are being updated.
 - (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner over a period of three years. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) In our opinion, this periodicity of physical verification, is reasonable having regard to the size of the Company and the nature of its assets
 - (d) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, of immovable properties are held in the name of the Company.
- ii. The Company is a service company, primarily rendering tour and travel services. Accordingly it does not have any physical inventories. Accordingly, reporting under clause 3 (ii) of the Order is not applicable to the Company and hence not commented upon.
- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to any company, firm, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Thus paragraphs 3(iii) (a) to (c) of the order are not applicable and hence not commented upon
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act with respect to grant of loans, making investments, giving guarantees and providing securities, to the extent applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2019. As per the information & explanations given to us no order has been passed by Company Law Board, or National Company Law Tribunal or Reserve Bank of India or any Court or any other tribunal in this respect and hence question of its compliance does not arise.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, Company has generally been regular in depositing with appropriate authorities amount deducted/ accrued in the books of accounts in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it.

(b) According to the information and explanations given to us, there were no material arrears of undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues as at March 31, 2019 for a period of more than six months from the date they became payable.

(c) According to the information and explanations given to us, there were no material dues of income tax, Sales tax/value added tax/ service tax/ goods and service tax, or Customs Duty which have not been deposited with the appropriate authorities as at March 31, 2019 on account of dispute
- viii. The Company has not defaulted in repayment of loans or borrowings from financial institutions, bank, government or dues to debentureholders during the year.
- ix. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. In our opinion term loans were applied for the purpose for which loans were obtained by the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed against the company under Insolvency and bankruptcy code before NCLT for recovery of a sum of RS 121.52 lacs. Company has not made any provision for this liability as in the opinion of the company based on legal view provided by legal experts, the matter is not maintainable.
- xi. As the company is a private limited company, hence provisions of Section 197 of the Act are not applicable in respect of the payment of managerial remuneration made by the company.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

- xiv. As per the information provided to us , during the year Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

RITCO TRAVELS AND TOURS PRIVATE LIMITED

(A WHOLLY OWNED SUBSIDIARY OF TRANSCORP INTERNATIONAL LIMITED)

Note No. 1 - Corporate Information and Significant Accounting Policies**A. Reporting Entity**

RITCO Travels And Tours Private Limited ("the company") is a private limited company domiciled in India (CIN: U63040RJ2010PTC032902), having its registered office at "Transcorp Towers", 5th floor, Moti Doongri road, Jaipur-302004. Company is mainly engaged in the business of Travels and Tours related activities. It is a wholly owned subsidiary of Transcorp International Limited.

B. Basis of Preparation**1) Statement of Compliance**

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the said roadmap, Parent company, M/s Transcorp International limited and its subsidiaries are required to apply Ind AS starting from financial year beginning on or after 1st April, 2017. As RITCO Travels And Tours Private Limited is wholly owned subsidiary of Parent company, M/s Transcorp International limited, hence it is also required to apply Ind AS from Financial Year beginning on or after 1st April, 2017. Accordingly, these financial statements of the company have been prepared in accordance with the Ind AS.

These standalone financial statements are prepared on accrual basis of accounting and comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable) and applicable provisions of Companies Act, 1956.

2) Basis of measurement

The financial statements have been prepared on historical cost convention except for revalued costs and following material items which have been measured at fair value as required by IND AS-

- Defined benefit plans- Plan assets measured at fair value

3) Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All amounts have been rounded off to the nearest lakhs.

4) Current and Non Current Classification

The company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

Expected to be realized or intended to be sold or consumed in normal operating cycle,

Held primarily for the purpose of trading,

Expected to be realized within twelve months after the reporting period, or

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it is:

Expected to be settled in normal operating cycle,

Held primarily for the purpose of trading,

Due to be settled within twelve months after the reporting period, or

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. Deferred tax assets and liabilities are classified as Non-Current assets and liabilities.

C. Significant Accounting Policies

A summary of the accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

On transition to IND AS, the company has elected to utilize the option under Ind AS 101 by not applying the provisions of Ind AS 16 and Ind AS 38 retrospectively and continue to use the previous GAAP carrying amount as a deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying amount of Property, Plant and Equipment and Intangible Assets as per the previous GAAP as at 1 April 2016, i.e.; the Company's date of transition to Ind AS, were maintained on transition to Ind AS.

1. Property, Plant and Equipment**1.1. Initial recognition and measurement**

An item of PPE is recognised as an asset if and only if it is probable that future economic benefits associated with them will flow to the company and the cost of item can be measured reliably.

An item of Property, Plant and Equipment is carried at cost less accumulated depreciation and any accumulated impairment losses. Cost includes any cost directly attributable to bringing the asset to the location and operating condition like installation and assembly cost. Any trade discounts and rebates are deducted in arriving at the cost. All cost related to acquisition and installation are capitalized.

Items of Property, Plant and Equipment having different useful lives are recognized separately.

1.2. Subsequent cost

Subsequent expenditure is added to the book value only if it increases the future economic benefits from the existing asset.

1.3. Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual value at a maximum of 5% of original cost. Asset's residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

1.4. De-recognition

An item of Property, Plant and Equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains or losses on disposal/ transfer/ de-recognition of item of Property, Plant and Equipment are determined as difference between net sale proceeds and the carrying amount of Property, Plant and Equipment and is recognized in the statement of profit and loss.

2. Intangible Assets

a. Initial Recognition and measurement

Identifiable intangible assets are recognized

- When company controls the asset
- It is probable that future economic benefits will flow to the company
- The cost of the asset can be reliably measured

Intangible assets comprise Website development, software cost and integration cost which are developed and set up for business operations of the company. Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make assets ready for its intended use.

b. Subsequent Cost

Subsequent expenditure is recognised as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measurably reliably.

c. Amortization

Intangible assets are amortized on straight line method basis as per the methodology provided and useful life of the asset mentioned in Schedule II of the Companies Act, 2013. Amortization of intangible assets is included in the head Depreciation and amortization expenses in the statement of profit and loss.

d. De-recognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains or losses on disposal/ transfer/ de-recognition of intangible assets are determined as difference between net sale proceeds and the carrying amount of intangible asset and is recognized in the statement of profit and loss.

3. Borrowing Costs

Borrowing costs specifically relating to the acquisition of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing cost consists of interest and other cost that the company incurs in connection with the borrowing funds.

All other borrowing costs are recognized in the Statement of Profit and Loss as expense in the period in which they are incurred.

4. Taxation

Income tax expense represents the sum of current tax and deferred tax (including MAT). Current tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in OCI or equity.

Current tax provision is made in accordance with the relevant tax regulations applicable to the company. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current income taxes are recognized under 'Income tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised.

Deferred tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

MAT (Minimum Alternate Tax) is applicable to the company. MAT paid in the year is charged to the Statement of Profit and Loss as current tax. MAT credit available is recognized as an asset only to the extent, there is convincing evidence that the company will pay normal income tax during the specified period i.e. the period for which MAT credit is allowed to be carried forward. The company reviews the MAT credit entitlement at each balance sheet date and writes down the carrying value of MAT credit entitlement to the extent that there is no longer convincing evidence to the effect that company will pay normal tax during the specified period.

5. Cash and Cash Equivalents

Cash and cash equivalents comprise cash at banks being balances with banks in current accounts, cash in hand and cheques/drafts in hand.

6. Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in IND AS 7 "Statement of Cash Flows".

7. Foreign Currency Transactions and Translations

Transactions in foreign currencies are initially recorded at the functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in profit or loss in the year in which it arises.

8. Impairment of non-financial assets

9. The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated. An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount which is only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

9. Earnings per Share

Basic earnings per share is calculated by dividing net profit or loss for the period attributable to the equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for the events such as bonus issue, bonus element in a right issue, share split and reverse share split that have changed the number of equity shares outstanding, without a corresponding change in resources. However, it shall not be adjusted for conversion of potential ordinary shares.

Diluted earnings per share is calculated by adjusting profit or loss attributable to ordinary equity shareholders and weighted average number of shares outstanding for the effects of all dilutive potential shares.

10. Provisions and Contingencies

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate. The expense

relating to provision is presented in the statement of profit and loss after netting off any amount expected to be recovered from a third party with virtual certainty and can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to the financial statements. Contingent liabilities are disclosed on the basis of judgment of management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

11. Financial Instruments

a) Financial Assets

Company's financial assets include trade receivables, security deposits, advances, cash and cash equivalents and short term loans and advances.

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial asset.

Subsequent Measurement

The Financial Instrument is measured at the amortized cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on following financial assets:

Trade Receivables:

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. However, company's trade receivables generally are of short term nature, hence no expected credit loss is provided. Actual credit loss during the period assessed by management is recognized in statement of profit and loss as bad debts.

Other financial assets:

For recognition of impairment loss on other financial assets and risk exposure, the company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

The estimated impairment losses are recognized as a separate provision for impairment and the impairment losses are recognized in the Statement of Profit and Loss under the head other expenses.

De-recognition of Financial Assets

A financial asset (or where applicable, a part of a financial asset or a part of a group of similar financial assets) is primarily derecognized (i.e. removed from the company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either
- (c) The company has transferred substantially all the risks and rewards of the asset
- (d) The company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

b) Financial Liability

The company's financial liabilities mainly includes, borrowings including deposits, trade payables and other payables.

Initial Measurement

All financial liabilities other than fair valued through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liabilities are carried at fair value through profit and loss is expensed in statement of Profit and Loss.

Subsequent Measurement

These liabilities include deposits and interest bearing loans and borrowings. Subsequent to initial recognition, these liabilities are measured at amortised cost using effective interest method. Amortised cost is calculated by taking in to

account any discount or premium on acquisition and fees or costs that are integral part of EIR. The EIR amortisation is included as finance cost in the statement of profit and loss. This category generally applies to borrowings. Since there are no or immaterial transaction costs in borrowings, EIR has not been calculated.

De-recognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

12. Fair Value measurement

In determining the fair value of its financial instruments, the Entity uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. These methods used to determine fair value includes discounted cash flow analysis, available quoted market prices, dealer quotes and other appropriate methods. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

13. Revenue

Company's revenue is arising from sale of services like ticketing, vehicle rentals, tours, hotels and Allied Activities. For services rendered to clients, the commission received from airlines, hotels etc., transport income and income on tours and other services (net of charges) are accounted for on rendering of service/accrual as per relevant contract terms using best estimate.

Company collects service tax or GST on behalf of the government and therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue. Revenue from other income comprises interest on bank deposits, loans and advances, rental income from subletting and profit from sale of assets.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

14. Dividends

Dividends and interim dividends payable to a Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

Company has not declared or proposed any dividend payable to shareholders.

15. Employee Benefits

- c) Short Term Employee Benefits- It includes benefits like salaries, non-vesting compensated absences and various incentives. These are recognized as an expense in the statement of profit and loss of the year in which the related services are rendered.

A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

- d) Long Term Benefit Plans- These are in nature of defined benefit obligations, in respect of Gratuity Liability and Provident/Pension Fund.

The cost of providing gratuity, a defined benefit plan is determined using the projected unit method, on the basis of actuarial valuations carried out by third party actuaries at each Balance sheet date. Actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to other comprehensive income in the period in which they arise. Other costs are accounted for in the statement of profit and loss.

The Company's contribution to Provident Fund is charged to the statement of profit and loss each year.

16. Use of Estimates and Management judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

- g) Useful life of Property, Plant and Equipment

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from

the asset. Useful life of assets is determined in accordance with Schedule II to the Companies Act, 2013. The Company reviews at the end of each reporting date the useful life of property, plant and equipment.

h) **Useful life of intangible Assets**

Useful life of intangible assets is generally determined in accordance with Schedule II to the companies Act, 2013. In case of linking costs, life is estimated to the best of judgments/estimates by management. Management believes that assigned useful lives are reasonable. The company reviews at the end of each reporting date the useful life of Intangible Assets.

i) **Provisions and Contingencies**

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. If circumstances change following unforeseeable developments, then this likelihood could alter.

j) **Income Taxes**

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

k) **Impairment of financial assets**

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

l) **Defined Benefit Plan**

The cost of defined benefit plan and the present value of such obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

C) Defined benefit obligation

l) Actuarial assumption

The following were the principal actuarial assumption at the reporting date.

Particulars	31.03.2019	31.03.2018
Discount rate*	7.65%	7.71%
Expected return on plan assets**		
Gratuity		
Salary escalation rate***	7.00%	7.00%
Valuation Methodology	Projected Unit Credit Method	Projected Unit Credit Method

* The discount rate assumed is determined by reference to market yield available on government bonds, at the accounting date.

** The expected rate of return on plan assets is determined considering several applicable factor mainly the composition of plan assets held, assessed risk of assets management and historical return from plan assets.

*** The estimates of future salary increase considered in actuarial valuation, taking account of inflation, seniority, promotion, business plan, HR policy and other relevant factors on long term basis.

II) Sensitivity analysis

Reasonable possible change at the reporting date to one of the relevant actuarial assumption, holding other assumption constant, would have effected the defined benefit obligation by the amount shown below.

(Rs. In Lakhs)

Particulars	31.03.2019	
	Increase	Decrease
Discount rate (0.50% movement)	(1.85)	2.04
Salary escalation rate (0.50% movement)	2.04	(1.87)

III) Expected Maturity analysis of the defined benefits plan in future years

(Rs. In Lakhs)

31-Mar-19	First Year	Second year	Third to Fifth year	More than 5 Years
Gratuity	0.56	0.51	6.94	22.27
Total	0.56	0.51	6.94	22.27

31-Mar-18	First Year	Second year	Third to Fifth year	More than 5 Years
Gratuity	0.49	0.48	1.63	23.88
Total	0.49	0.48	1.63	23.88

IV) Risk exposure

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follows-

- A) Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- B) Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- C) Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.
- D) Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- E) Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Company has executed "Joint Bank Guarantee" agreement with TAFI and furnished a sum of Rs. 100 Lakh (PY 72 Lakhs) as deposit with them for making good the default by Company or other participating members in payment obligation to IATA. Amount of liability under the agreement, if any, is unascertainable at present. Holding company and one of the director are guarantor to this agreement .

10 Disclosure as per Ind AS 108: Operating Segments is given in consolidated financial statements**11 Financial Risk Management**

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The most significant financial risks to which the Company is exposed to are described as follows:-

i. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as investment price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and other financial instruments. This is based on the financial assets and financial liabilities held as at March 31, 2019 and March 31, 2018.

ii. Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

iii. Liquidity risk.

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

iv. Physical risk

It is the risk of theft, robbery or fakeness of cash and cash equivalents.

Risk Management framework

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Risk management is carried out by the Board of Directors under policies approved by identifying, evaluating and hedging financial risks. The board provides principles for overall risk management, as well as policies covering specific areas, such as interest rate risk, and credit risk, investment of excess liquidity, adequate and proper insurance covers and proper and adequate training of personnels.

Financial Risk Management
i. Market risk
Interest Rate Risk:

Interest rate risk is the risk that the fair value of the future cash flows of the financial instrument will fluctuate because of changes in market interest rates. In order to manage the interest rate risk, Board of Directors performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed interest rate and floating rate financial instruments in its total portfolio. Since the company only has nil/fixed interest rate instruments, it is not exposed to significant interest rate risk as at the respective reporting periods.

Particulars		31-Mar-19	31-Mar-18
Financial Assets			
Security Deposits		114.06	120.04
Advances recoverable in cash or kind or for value to be received or pending adjustments		685.40	534.89
Loans to Employees		0.00	0.11
Other Bank Balances		0.68	0.68
Total		800.14	655.72
Financial Liabilities			
Term Loans		102.33	126.04
Cash Credit		789.30	590.49
Loans repayable on demand		521.98	340.00
Security Deposits		6.05	5.20
Total		528.03	345.20

ii. Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial instruments. Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when management is of the opinion that all the possible efforts have been undertaken for recovery but the recovery is not possible. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are to be recognized in profit and loss. Continuous efforts are made to ensure timely payment from the customers. The carrying amount of financial assets as appearing in Balance Sheet represents the maximum credit exposure.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored.

The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent. Exposure to credit risk is to be shown in case where ECL or lifetime ECL is recognized.

The ageing of trade receivable is as below:

Particulars	Neither due nor impaired	Past Due			Total
		Within 6 months	6 Month to 12 Months	Above 12 months	
Trade Receivables					
As at March 31, 2019					
Unsecured		989.19	52.91	268.82	1310.92
As at March 31, 2018					
Unsecured		1375.67	25.90	238.09	1639.66

In the opinion of management, considering the risk of default, recognising impairment loss or expected credit loss was not necessary. Actual credit loss during the period assessed by management Rs. 4.78 lakhs (Previous Year - Rs. 7.55 lakhs) is recognised in statement of Profit and loss as bad debts.

Trade receivables includes certain parties, against whom proceedings are pending in the court of law u/s 138 of the Negotiable Instruments Act, 1881 being on account of dishonor of cheques and under C.P.C, for which remedy is available under the said act, and consequently have been considered good by the management.

Reconciliation of impairment loss provision:

Particulars	Trade Receivables	Other Balances
Balance As at March 31, 2018	-	
Impairment loss recognised	4.78	0.54
amounts written off	4.78	0.54
Balance As at March 31, 2019	-	-

Financial instruments and cash deposits

The cash and cash equivalents as well as deposits in current accounts with bank are held with banks of high rating. The banks are also chosen as per the geographical and other business convenience and needs.

The company maintains significant cash and deposit balances.

iii. Liquidity Risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The company does not anticipate any problem in obtaining external funding in the foreseeable future when the need arises.

Financing Arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars		3/31/2019	3/31/2018
Fixed-rate borrowings			
Bank overdraft (cash credit)		210.7	209.51
Total		210.7	209.51

The table below provides undiscounted cash flows towards non-derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date:

Particulars	As at 31-3-2019				Total/ Carrying Amount
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	1,317.33	14.78	13.71	73.84	1,419.66
Other liabilities	169.00	-	-	-	169.00
Trade and other payables	605.78	-	-	-	605.78
Total	2,092.11	14.78	13.71	73.84	2,194.44

Particulars	As at 31-3-2018				Total/ Carrying Amount
	On demand	<6 months	6-12 months	>1 year	
Interest bearing borrowings (including current maturities)	935.69	13.90	14.04	98.10	1,061.73
Other liabilities	184.39	-	-	-	184.39
Trade and other payables	1094.21	-	-	-	1,094.21
Total	2,214.29	13.90	14.04	98.10	2,340.33

iv. Physical Risk :- The company has taken adequate money insurance policy for covering loss which may be incurred due to risk of theft, robbery etc . The company provides training to staffs for recognising the valid currency note for covering loss which may be incurred due to fake currency.

12 Fair Value Measurements

(a) Financial Instruments by category

Particulars	31 March 2019		
	FVTPL	FVTOCI	Amortised Cost
Financial Assets			
Trade Receivables			1,310.92
Loans			799.46
Cash and cash equivalents			42.68
Other Financial Assets			0.68
	-	-	2,153.74

Financial Liabilities			
Borrowings			1,419.66
Trade payables			559.26
Other Financial Liabilities			46.52
	-	-	2,025.44

Particulars	31 March 2018		
	FVTPL	FVTOCI	Amortised Cost
Financial Assets			
Trade Receivables			1,639.66
Loans			627.93
Cash and cash equivalents			60.74

Total	-	-	2,329.01
Financial Liabilities			
Borrowings			1,061.73
Trade payables			1,055.36
Other Financial Liabilities			38.85
Total	-	-	2,155.94

b) Fair Value hierarchy

Financial assets and liabilities measured at Fair value	Level 1	Level 2	Level 3	Total
As at 31 March 2019	There are no such instruments			
Financial Assets				
Financial Liabilities				-
As at 31 March 2018	There are no such instruments			
Financial Assets				
Financial Liabilities				-

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value Measurement as a whole:

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices. This Includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments.

There has been no transfer in either direction in this year or the previous year.

c) Valuation technique used to determine fair value:

Specific Valuation techniques used to fair value the financial instruments include:

- For Financial instruments other than at (ii) and (iii) - the use of quoted market prices.
- For Financial liabilities (public deposits, long term borrowings) Discounted Cash Flow; appropriate market borrowing rate of entity as on each balance sheet date used for discounting.
- For financial assets (loans) discounted cash flow; appropriate market borrowing rate of the entity as on each balance sheet date is used for discounting.

d) Fair value of financial assets and liabilities measured at amortized cost

Particulars	Level	31 March 2019		31 March 2018	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial Assets					
Loans	3	799.46	799.46	627.93	627.93
Trade Receivables	3	1,310.92	1,310.92	1,639.66	1,639.66
Financial Liabilities					
Loans- Borrowing from banks	3	891.63	891.63	716.53	716.53
Other Borrowings	3	528.03	528.03	345.20	345.20
Trade Payables	3	559.26	559.26	1,055.36	1,055.36
Expenses and other payables	3	46.52	46.52	38.85	38.85

13 Capital Risk Management

For the purposes of the Company's capital management, capital includes issued capital, share premium and all other equity reserves. Net debt includes, interest bearing loans and borrowings, less cash and short term deposits. The primary objective of the Company's Capital Management is to maximize shareholder value.

Particulars	As at 31-3-19	As at 31-3-18
Total debt (other than security deposit)	1,413.61	1056.53
Less: cash and cash equivalents	42.68	60.74
Net Debt	1,370.93	995.79
Equity	499.85	497.3
Net debt to equity ratio	2.74	2.00

IND AS 115- Revenue is recognised upon transfer of control of services to customers in an amount that reflects the consideration, company expect to receive in exchange for those services. The company account for volume and other discounts as well as pricing incentives to customers as a reduction of revenue. The company presents revenue net of indirect taxes in statement of Profit & Loss. INDEPENDENT AUDITORS' REPORT

To
The Members of Transcorp International Limited

Report on the Audit of the Consolidated Financial Statements**Opinion**

We have audited the accompanying Consolidated Financial Statements of Transcorp International Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its associate, which comprise the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss (including other comprehensive Income), the Consolidated Statements of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of the other auditor on separate financial statements of subsidiaries as referred to in sub – paragraph (a) of the 'other matters' paragraph below, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated state of affairs (financial position) of the Group and its associate Company as at 31 March, 2019, and its consolidated net profit (financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S. No.	Description of Key Audit Matter	How our audit addresses the Key Audit Matter
1.	<p><u>Recognition of trading income: -</u> Fee and trading income consists of the margin generated from foreign currency spreads on the purchase and sale of foreign currency. Trading income is presented inclusive of realized and unrealized income earned from sale of foreign currency contracts to customers.</p> <p><u>Why it is identified as Key Audit Matter</u> This has been considered as a key audit matter because it represents the most significant element of revenue in the Statement of Comprehensive Income.</p>	<p>Our audit procedures included, among others, evaluating the design and performing tests over the operating effectiveness of relevant key revenue controls, including reconciliation controls between the transaction recording system, general ledger and bank statements.</p> <p>In addition, we:</p> <ul style="list-style-type: none"> Performed data analytic techniques to derive sample of Sale and Purchase of FOREX transactions. Checked the sample transactions derived through above process. Examined supporting documents for a sample of manual journal related to sale and purchase of currency. Performed tests over the operating effectiveness of key reconciliation controls between the transaction recording system and general ledger related to cash.
2.	<p><u>Existence and presentation of cash and cash equivalents: -</u> Cash and cash equivalents include cash held for own use, cash held for settlement of liabilities related to advance from customers.</p>	<p>Our testing of the cash and cash equivalents balance included assessing the design and performing tests over the operating effectiveness of key reconciliation controls between the transaction recording system, bank statements and the general ledger.</p> <p>In relation to the balance as at 31 March 2019, we performed the following procedures amongst others:</p>

	<p>Why it is identified as Key Audit Matter This has been considered as a key audit matter due to the inherent importance of cash to a business involved in money changing and money transfer.</p>	<ul style="list-style-type: none"> • Compared the bank balances recorded by the TIL at year-end to confirmations received directly from the relevant banks. Where we were unable to obtain a bank confirmation, we performed alternative procedures such as confirming the recorded balances to bank statements; • Tested all bank reconciliations with a focus on material reconciling items, if any; • Compared the foreign exchange rates used for the translation of foreign-currency denominated cash accounts at year-end to independently sourced exchange rates.
--	---	---

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director Report and Corporate Governance Report but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (financial position), consolidated profit or loss (financial performance including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. The respective Board of Directors of the companies included in the Group and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements, that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate management is responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the reporting process of the Group and its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

A further description of our responsibilities for the audit of the consolidated financial statements is included in Appendix -1 of this auditor's report.

Other Matters

- a) We did not audit the financial statements / financial information of following subsidiaries whose financial statements reflect the details given below of total assets and net assets as at 31st March 2019, total revenue and net cash flows for the year ended on that date to the extent to which they are reflected in the consolidated Ind AS financial statements.

(Rs in lakhs)

Name of Subsidiaries	Total Assets	Net Assets	Total Revenues	Net Cash Inflows/(Outflows)
RITCO Tours and Travels Pvt. Ltd	2744.62	499.85	753.34	(18.06)
Transcorp Estates Pvt. Ltd	4547.74	2832.86	116.39	(86.39)

- b) These financial statements / financial information of subsidiaries and associate have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associate is based solely on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

3. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of the subsidiaries and associate referred to below in the "Other matters" paragraph above, we report, to the extent applicable that:
- (h) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (i) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (j) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flow and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (k) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.
- (l) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2019 taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiary companies and associate incorporated in India, none of the directors of the Group and its associate companies incorporated in India is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (m) With respect to the adequacy of the Internal Financial Controls with reference to consolidated financial statements of the Group and its associate and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- (n) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and also financial information of subsidiaries and associate, as noted in the "Other Matters" paragraph:
- I. The Group and associate have disclosed the impact of pending litigations on its consolidated financial position in its consolidated financial statements. Refer Note No. 40 to the consolidated financial statements;
 - II. The Group and associate has made provision, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

Appendix -1

(referred to in 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' paragraph of the Independent Auditors' Report)

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and associate has adequate Internal Financial Controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of TRANSCORP INTERNATIONAL LIMITED on the Consolidated Financial Statements for the year ended 31 March 2019

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the consolidated Ind As financial statements of the Company as of and for the year ended 31st march 2019 we have audited the Internal Financial Controls with consolidated financial statements of Transcorp International Limited ("Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and associate, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, and its subsidiaries, and associate, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal controls over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial control with reference to consolidated financial statements included obtaining an understanding of internal financial control with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiaries and associate, incorporated in India, in term of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A Company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its subsidiaries and associate, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with respect to consolidated financial statements were operating effectively as at 31 March 2019, based on the internal controls over financial reporting criteria established by the Company considering the components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

1. Group Information and Significant Accounting Policies

A. Reporting entity

Transcorp International Limited is a Public Company domiciled in India and limited by shares (CIN: L51909DL1994PLC235697). The shares of the Company are publicly traded on Bombay Stock Exchange Limited. The address of Company's registered office is Plot No. 3, HAF Pocket, Sector 18A Near Veer Awas, Dawarka Phase II, New Delhi – 110075. These consolidated financial statements comprise the financial statements of the Company and its subsidiaries (referred to collectively as the 'Group'). The Group is primarily involved in the business of money changing and money transfer i.e. Financial Services, tours & travels services.

B. Basis of preparation

1. Statement of Compliance

These Consolidated financial statements are prepared on accrual basis of accounting and comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable) and applicable provisions of Companies Act, 1956. These financial statements were authorized for issue by Board of Directors on 17th May 2019.

2. Basis of measurement

The financial statements have been prepared on historical cost convention except for revalued costs and following material items which have been measured at fair value as required by IND AS-

- Defined benefit plans- Plan assets measured at fair value
- Certain financial assets and liabilities measured at fair value

3. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency.

4. Current and Non Current Classification

The group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
 - Held primarily for the purpose of trading,
 - Expected to be realized within twelve months after the reporting period, or
 - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle,
- Held primarily for the purpose of trading,
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current.

C. Significant accounting policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements. The Group has elected to utilize the option under Ind AS 101 by not applying provision of Ind AS 16, Ind AS 38 & Ind AS 40 retrospectively and continue to use the Indian GAAP carrying amount as deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying amount of Property, plant and equipment, Investment Property and Intangible Assets as per the previous GAAP as at 1 April 2016, i.e., the Group's date of transition to Ind AS, were maintained in transition to Ind AS.

1. Basis of Consolidation:

The financial statements of Subsidiary Companies are drawn up to the same reporting date as of the Company for the purpose of consolidation.

1.1 Subsidiaries

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests (NCI) in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition. Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

When the Group loses control over a subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognised in profit or loss.

2. Property, plant and equipment

2.1 Initial recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

2.2 Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that the future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

2.3 Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual value of 5% of the original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

The useful lives of the property, plant and equipment are as follows:

Furniture & Fixtures	-	10 years
Office equipment	-	5 years
Buildings	-	60 years
Vehicles	-	6 to 8 years
Computers	-	3 years
Air conditioners	-	5 years

Depreciation on additions to/deductions from property, plant & equipment during the year is charged on pro-rata basis from/up to the month in which the asset is available for use/disposed.

Where the cost of depreciable assets has undergone a change during the year due to increase/decrease in long term liabilities on account of exchange fluctuation, price adjustment, change in duties or similar factors, the unamortized balance of such asset is charged off prospectively over the remaining useful life determined following the applicable accounting policies relating to depreciation/ amortization.

Where it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably, subsequent expenditure on a PPE along-with its unamortized depreciable amount is charged off prospectively over the revised useful life determined by technical assessment.

In circumstance, where a property is abandoned, the cumulative capitalized costs relating to the property are written off in the same period.

2.4 De-recognition

Property, plant and equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

3. Investment Property

3.1 Initial Recognition

Investment properties comprise portions of Leasehold land and office building that is held for long term rental yields and/or for capital appreciation. Investment properties are initially recognised at cost. Subsequently investment property comprising of building is carried at cost less accumulated depreciation and accumulated impairment losses.

3.2 Depreciation

The depreciation on building is calculated using the straight line method over the estimated useful life of building of 60 years as specified in Schedule II to the Companies Act, 2013. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the statement of profit and loss when the changes arise.

3.3 De-recognition

Investment properties are de-recognised when either they have been disposed off or when the investment property is permanently withdrawn from use and no future economic benefits is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the statement of profit and loss for the period of de-recognition.

4. Intangible assets

4.1 Initial Recognition & measurement

Identifiable intangible assets are recognized

- When group controls the asset
- It is probable that future economic benefits will flow to the group
- The cost of the asset can be reliably measured

Intangible assets comprise Computer Software that is purchased for business operations of the group. Intangible assets that are acquired by the Group, which have finite useful lives, are measured at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make assets ready for its intended use.

4.2 Subsequent Cost

Subsequent expenditure is recognised as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

4.3 Amortization

Intangible assets having definite life are amortized on straight line method in their useful lives. Useful life of computer software is estimated at six years. Amortization of intangible assets is included in the head depreciation & amortization expenses in the statement of profit & loss.

4.4 De-recognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

5. Borrowing costs

Borrowing costs specifically relating to the acquisition of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets.

Borrowing cost consists of interest and other cost that the group incurs in connection with the borrowing of funds.

All other borrowing costs are recognized in the Statement of Profit and Loss as expense in the period in which they are incurred.

6. Inventory

Inventories are valued at the lower of cost and net realizable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis. As group's inventory includes paid documents, foreign currency, land net realizable value is calculated using exchange rate prevailing at the end of accounting year.

7. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cash at banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

8. Foreign currency transactions and translation

Transactions in foreign currencies are initially recorded at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in statement of profit and loss in the year in which it arises.

9. Income Tax

Income tax expense comprises current and deferred tax. Current tax expense is recognized in Statement of Profit and Loss A/c except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which it is recognized in OCI or equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current income taxes are recognized under 'Income tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Deferred tax is recognized in Statement of Profit and Loss A/c except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Additional income taxes that arise from the distribution of dividends are recognized at the same time that the liability to pay the related dividend is recognized.

10. Share Based Payments

Share based payments Equity-settled share based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in Statement of Profit and Loss such that the cumulative expenses reflects the revised estimate, with a corresponding adjustment to the Share Based Payments Reserve.

11. Provisions Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group or a present obligation that arises from past events where it is either not probable that outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to the financial statements. Contingent liabilities are disclosed on the basis of judgment of management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are possible assets that arise from past events and whose existence will be continued only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group. Contingent assets are

disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgment of management. These are assessed continually to ensure that the developments are appropriately reflected in financial statements.

12. Revenue

The Standard is effective from April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. The following is a summary of new and/or revised significant accounting policies related to revenue recognition. Refer Note 1 "Significant Accounting Policies," in the Company's 2018 Annual Report for the policies in effect for revenue prior to April 1, 2018.

Ind AS 115 moves away from the "transfer of risk and rewards" approach and introduces a new "transfer of control" approach delivered through the new five-step model described as follows:

1. Identify the contract with a customer.
2. Identify the separate performance obligations in the contract.
3. Determine the transaction Price.
4. Allocate the transaction price to the separate performance obligations.
5. Recognize revenue when (or as) each performance obligation is satisfied.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company, the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold, and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable and taking into account contractually defined terms of payment.

Group's Revenue is arising from Sale of Traded Goods, sale of services like ticketing, vehicle rentals, tours, hotels and allied activities, renting of properties.

Revenue from other income comprises interest from banks, dividend from long term investments, profit on sale of Property, Plant and equipment, other miscellaneous income, etc.

12.1 Revenue from Sale of Traded goods

Revenue from sale of traded goods is recognized when all the significant risk & rewards of ownership of the goods have been passed to the buyer, usually on delivery. Revenue from services is recognized on rendering the services.

12.2 Revenue from Sale of Services

For services rendered to clients, the commission received from airlines (other than Productivity Linked Bonus, which is accounted when ascertainable), hotels etc., transport income and income on tours and other services (net of charges) are accounted for on completion of service. Revenue from rentals and operating leases is recognized on an accrual basis in accordance with the substance of the relevant agreement.

The group collects goods and services tax and other taxes on behalf of the government and therefore, it is not an economic benefit flowing to the group. Hence, it is excluded from revenue.

Interest income is recognized, when no significant uncertainty as to measurability or collectability exists, on a time proportion basis taking into account the amount outstanding and the applicable interest rate, using the effective interest rate method (EIR).

Revenue from rentals and operating leases is recognized on an accrual basis in accordance with the substance of the relevant agreement.

Dividend income is recognized in profit or loss on the date when the Group's right to receive the same is established, which in the case of quoted securities is the ex-dividend date.

13. Employee benefits

13.1. Short term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are booked as an expense as the related service is provided.

A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

13.2. Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). These are of two types:

13.1.1. Defined contribution plans

Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Family Pension Funds are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation.

13.1.2. Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a liability to the company, the present value of liability is recognized as provision for employee benefit. Any actuarial gains or losses in respect of gratuity are recognized in OCI in the period in which they arise.

13.3. Other long-term employee benefits

Benefits under the Company's leave encashment scheme constitute other long-term employee benefits. The Company's net obligation in respect of leave encashment is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains or losses are recognized in profit or loss in the period in which they arise.

14. Impairment of non financial assets

As at each Balance Sheet, the group assesses whether there is an indication that an asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If an indication exists, or when annual impairment testing for an asset is required, the group determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

15. Operating Segments

In accordance with Ind AS 108, the operating segments used to present segment information are identified on the basis of internal reports used by the Group's Management to allocate resources to the segments and assess their performance. The Board of Directors is collectively the Group's 'Chief Operating Decision Maker' or 'CODM' within the meaning of Ind AS 108. The indicators used for internal reporting purposes may evolve in connection with performance assessment measures put in place.

Segment results that are reported to the CODM include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprise mainly corporate expenses, finance expenses and income tax expenses.

Revenue directly attributable to the segments is considered as segment revenue. Expenses directly attributable to the segments and common expenses allocated on a reasonable basis are considered as segment expenses.

Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment, and intangible assets other than goodwill.

Segment assets comprise property, plant and equipment, intangible assets, trade and other receivables, inventories and other assets that can be directly or reasonably allocated to segments. Segment assets do not include investments, income tax assets, capital work in progress, capital advances, corporate assets and other current assets that cannot reasonably be allocated to segments.

Segment liabilities include all operating liabilities in respect of a segment and consist principally of trade and other payables, employee benefits and provisions. Segment liabilities do not include equity, income tax liabilities, loans and borrowings and other liabilities and provisions that cannot reasonably be allocated to segments.

16. Dividends

Dividends and interim dividends payable to a Group's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

17. Material Prior period error:

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

18. Earnings per share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

19. Impairment of Non-Financial Assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated.

An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount which is only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

20. Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of Cash Flows'.

21. Financial Instruments**21.1 Financial Assets****Initial Recognition and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial asset.

Subsequent measurement**Equity Investments**

All equity investments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss. For all other equity instruments, the Group decides to classify the same either as at Fairvalue through other comprehensive income or fair value through profit and loss. The Group makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

De-recognition of financial assets

A financial asset (or where applicable, a part of a financial asset or a part of a group of similar financial assets) is primarily derecognized (i.e. removed from the group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
 - The group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either
- (e) The group has transferred substantially all the risks and rewards of the asset
- (f) The group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets.

For recognition of impairment loss on financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

21.2 Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

Subsequent measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortized cost

After initial measurement, such financial liabilities are subsequently measured at amortized cost using the EIR method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the profit or loss. This category generally applies to trade payables and other contractual liabilities.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. The Group has not designated any financial liability as at fair value through profit and loss.

De-recognition of financial liability

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

22. Fair Value measurement

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

Refer to Note 46 (d) in for the disclosure on carrying value and fair value of financial assets and liabilities. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

D. Use of estimates and management judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

6. Useful life of property, plant & Equipment

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The useful life of assets is determined in accordance with Schedule II of the Companies Act, 2013.

The group reviews at the end of each reporting date the useful life of property, plant and equipment.

7. Provisions and Contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter.

8. Income Taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Group reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the consolidated financial statements.

9. Defined Benefit Plans

The cost of defined benefit plan and the present value of such obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

10. Impairment test of Financial assets

The impairment Provisions for financial assets are based on assumptions about risk of default and expected loss rates. The group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

E. Recent Accounting Pronouncements

Ind AS 116 Leases: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17. The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors.
- Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or
- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

The Company is currently evaluating the effect of this standard on the consolidated financial statements.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting

each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition –

- iii) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight, and
- iv) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the consolidated financial statements.

Amendment to Ind AS 12 – Income taxes: On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the consolidated financial statements.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement- On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

C) Defined benefit obligation**I) Actuarial assumption**

The following were the principal actuarial assumption at the reporting date.

(Rs. In Lakhs)

Particulars	31 March, 2019	31 March, 2018
Discount rate*	7.65%	7.71%
Expected return on plan assets**		
Gratuity		
Salary escalation rate***	7.00%	7.00%
Valuation Methodology	Projected Unit Credit Method	Projected Unit Credit Method

* The discount rate assumed is 7.65% which is determined by reference to market yield at the balance sheet date on government bonds.

** The expected rate of return on plan assets is determine considering several applicable factor mainly the composition of plan assets held, assessed risk of assets management and historical return from plan assets.

*** The estimates of future salary increase considered in actuarial valuation, taking account of inflation, seniority promotion and other relevant factors, such as supply and demand in the employment market

II) Sensitivity analysis

Reasonable possible change at the reporting date to one of the relevant actuarial assumption, holding other assumption constant, would have effected the defined benefit obligation by the amount shown below. (Rs. In Lakhs)

Particulars	31 March, 2019	
	Increase	Decrease
Discount rate (0.50% movement)	(5.47)	5.98
Salary escalation rate (0.50% movement)	5.73	(5.27)

III) Expected Maturity analysis of the defined benefits plan in future years

(Rs. In Lakhs)

31-Mar-19	First Year	Second year	Third to fifth year	More than 5 Years
Gratuity	21.83	1.61	23.13	77.32
Total	21.83	1.61	23.13	77.32

31-Mar-18	First Year	Second year	Third to fifth year	More than 5 Years
Gratuity	21.64	1.81	15.85	87.67
Total	21.64	1.81	15.85	87.67

IV) Risk exposure

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follows -

- A) Salary Increases- Actual salary increase will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- B) Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- C) Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.
- D) Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- E) Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

44 Financial Risk Management

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's as well as of its wholly owned subsidiary's operations. The Company has advances and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company also enters into derivative transactions. The most significant financial risks to which the Company is exposed to are described as follows:-

44.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial/paid instrument/foreign exchange will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as investment price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. This is based on the financial assets and financial liabilities held as at March 31, 2019 and March 31, 2018.

44.2 Credit risk

Credit risk is the risk that a counter party/client will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

44.3 Liquidity risk.

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

44.4 Physical risk.

Physical risk is the risk of theft or robbery or fakeness of cash and cash equivalents, leading to a financial loss. Fake currencies and loss by theft (if not recover from insurance) are provided in the P&L A/c. The company provides training to staff for recognizing the valid currency and has taken adequately insurance coverage for covering loss which may be incurred by company due to theft and robbery.

Risk Management framework

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company uses derivative financial instruments to hedge certain risk exposures. The Company does not acquire or issue derivative financial instruments for trading or speculative purposes.

Risk management is carried out by the risk management team under policies approved by the board of directors and consultants. The risk management team identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, physical risk and investment of excess liquidity.

Financial Risk Management
1. Market risk
i. Interest Rate Risk:

Interest rate risk is the risk that the fair value of the future cash flows of the financial instrument will fluctuate because of changes in market interest rates. The company only have fixed interest rate financial instruments. The company is not exposed to interest rate risk as it does not have any floating rate instruments at the respective reporting periods.

Fair Value sensitivity analysis for fixed rate instruments

The company's fixed rate instruments are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

ii. Currency Risk

The Company operates in the business of money exchange including outward remittance and inward remittance and major portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its services various foreign currencies. Foreign currency exchange rate exposure is partly balanced by services in the respective currencies. The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

	Sensitivity Analysis	Impact on		Sensitivity Analysis	Impact on	
		Profit Before Tax	Other Equity		Profit Before Tax	Other Equity
Market rate increase	5.00%	61.01	50.46	5.00%	124.47	102.94
Market rate Decrease	5.00%	(61.01)	(50.46)	5.00%	(124.47)	(102.94)

2. Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 3 years past due and when management is of the opinion that all the possible efforts have been undertaken for recovery but the recovery is not possible. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are to be recognized in profit and loss.

The Company across all the divisions avoids business having risk of delayed payments, even at the cost of Top-line growth. Company is having a system of online follow-up on daily basis to avoid the delay in payments.

Strict watch is being maintained on cheque bouncing instances and if there is any bouncing from the client more precautions are taken.

A Credit Policy is being made and placed on the system. Continues efforts are being made to avoid delay in payment. Client Money Receivable for Money changing business is being checked on daily basis by Compliance Officer, Manager Operations. Credit appraisal process and know your customer norms are being followed prior to giving credit.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and Industries and operate in largely Independent markets.

Investments

The Company limits its exposure to investments by investing in only counter parties after considering all the relevant factors. The management actively monitors the interest rate and maturity period of these investments. The Company does not expect the counter party to fail to meet its obligations, and has not experienced any significant impairment losses in respect of any of the investments.

Cash and cash equivalents

The Company held cash and cash equivalents of Rs. 550.45 Lakhs (31 March 2018: Rs. 1149.19 Lakhs). The cash and cash equivalents are held with banks with high rating.

(i) Exposure to Credit Risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

(Rs. In Lakhs)

Particulars	31-March-2019	31-March-2018
Financial assets for which loss allowance is measured using 12 months ECL		
Non-current investments	1,250.19	2,047.90
Non-current Loans	74.40	61.98
Other non-current Financial Assets	121.57	232.02
Cash and Cash Equivalents	550.45	1,149.19
Bank balances other than cash and cash equivalents	52.69	88.67
Current Loans	1,790.16	2,116.94
Other current Financial Assets	86.42	20.81
Financial assets for which loss allowance is measured using Life time ECL		
Trade Receivables	1,833.36	2,506.22
Total	5,759.24	8,223.72

(ii) Provision for expected credit losses

(a) Financial assets for which loss allowance is measured using 12 month expected credit loss

The Company has assets where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is very low. Accordingly, no loss allowance for impairment has been recognised.

(b) Financial assets for which loss allowance is measured using life time expected credit loss

Exposure to credit risk is to be shown in case where ECL or lifetime ECL is recognized .

The ageing of trade receivable is as below:

(Rs. In Lakhs)

Particulars	Neither due nor impaired	Past Due			Total
		Upto 6 Months	6 Months to 12 Months	Above 12 Months	
Trade Receivables					
As at March 31, 2018

As at March 31, 2019					
Unsecured	-	1,477.64	52.91	302.81	1833.36

Reconciliation of impairment loss provisions:

(Rs. In Lakhs)

Particulars	Trade Receivables	Other Balances
Balance as at April 1, 2017	-	-
Impairment loss recognised	159.02	132.14
Amounts written off	159.02	132.14
Balance as at March 31, 2018	-	-
Impairment loss recognised	68.14	0.54
Amounts written off	68.14	0.54
Balance as at March 31, 2019	-	-

Considering the non recoverability of Trade Receivables and balances of Other Parties, the company has written off such balances during the FY 2018-19 and FY 2017-18.

i. Financial instruments and cash deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the institutions with which the Company has also availed fund and non fund based financial facilities. The banks are also chosen as per the geographical and other business conveniences and needs.

The Company maintain significant cash and deposit balances such as foreign currency, which is required for its day to day operations.

3 Liquidity Risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The Company is required to maintain ratios (including total debt to EBITDA /net worth, EBITDA to gross interest, debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels. In the event of failure to meet any of these ratios these loans become callable at the option of lenders, except where exemption is provided by lender.

Financing Arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

(Rs. In Lakhs)

b) Fair Value hierarchy

(Rs. In Lakhs)

Financial assets and liabilities measured at Fair value	Level 1	Level 2	Level 3	Total
As at 31 March 2019				
Financial Assets				
Investments in quoted Equity instruments	228.67	-	-	228.67
Investments in unquoted Equity instruments			177.05	177.05
Investments in Mutual Funds	580.55			580.55
Investment in Partnership Firm/Associates			-	-
Investment in Convertible Promissory Note			30.00	30.00
Financial Liabilities	-	-		-
As at 31 March 2018				
Financial Assets				
Investments in quoted Equity instruments	249.84	-	-	249.84
Investments in unquoted Equity instruments			70.76	70.76
Investments in Mutual Funds	1,484.28			1,484.28
Investment in Partnership Firm			-	-
Investment in Convertible Promissory Note	-	-	30.00	30.00
Financial Liabilities	-	-		-

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes foreign exchange forward contracts and investments in unquoted equity instruments.

There has been no transfer in either direction in this year or the previous year.

c) Valuation technique used to determine fair value:

Specific Valuation techniques used to fair value the financial instruments include:

(i) For Financial instruments other than at (ii), (iii) and (iv) - the use of quoted market prices.

(ii) For investments in Mutual Funds- Closing NAV is used

(iii) For Financial liabilities (public deposits, long term borrowings) Discounted Cash Flow; appropriate market borrowing rate of entity as on each balance sheet date used for discounting.

(iv) For financial assets (loans) discounted cash flow; appropriate market borrowing rate of the entity as on each balance sheet date is used for discounting.

d) Fair value of financial assets and liabilities measured at amortized cost
